Draft Officials Took Great Pains To Insure Lottery Fairness

WASHINGTON (AP) — "When a guy's life is at stake of course you're going to have some complaints," said draft director Curtis W. Tarr as he watched the lottery that determined the order of armed forces inductions for 1971.

"But we would hope they could not complain about its fairness," Tarr added Wednesday.

Tarr, who succeeded former director Lewis B. Hershey last April 6, had taken complex precautions to make sure the lottery could not be called one-sided. Some critics charged the 1970 draft lottery last December was not random.

CALENDAR LIST

A complete listing of the draft lottery by calendar is published on Page 12 of today's Daily Press.

The lottery determined the fate of some 2 million men born in 1951 who will form the "prime" manpower pool for next year's draft.

Most men born in 1951 probably will enlist or obtain deferments or exemptions. More than half of the remainder will flunk the physical.

Military manpower needs will be met from the remaining small number—perhaps as little as 10 percent—who are 1-A (available) and physically qualified.

Men sharing July 9 as their birthday will be the first ones called. Their birth date was matched with number 1.

The very last and least likely to be inducted, are those born July 7.

A similar lottery was held last December, assigning numbers to this year's prime draft pool of men who were between 19 and 26.

For that lottery, plastic capsules containing birth dates were drawn from a bowl that had been shaken.

Preparations this time were far more elaborate.

Both dates and numbers were placed in separate sets of capsules and scrambled according to computer-generated random tables. They were further mixed by tumbling rotating plexiglas drums.

A total of 108 young members of Selective Service advisory committees from throughout the nation took turns drawing the capsules. Aides rotated the drums between each drawing.

The lottery was delayed 15 minutes when an axle snapped on a drum.

Tarr, determined to ensure fairness, had said earlier that if a mishap seriously impaired the drawing, the drawing might have to be repeated.

The drawing — originally scheduled to take an hour and a half — took three and a half hours.

The only sound from the audience was an occasional murmur for an especially low number, and for number 365 and for Christmas.

While official observers certified the result, police reported an anonymous bomb threat and youth advisers were shepherded outside to waiting buses.

Finally, Tarr announced: "I hereby certify that this lottery is official, that the results are binding, and that the proceedings here are complete."

Police moved everyone out so they could search the auditorium. No bomb was found.

THE DRAW BEGAN WEDNESDAY as Joe Estep of Alabama pulled the first capsule out of the drums in the national lottery. (AP Wirephoto)

Nixon Names New Voice For Vietnam Peace Talks

Legislature Tackles Late Budget Trims

LANSING (AP) — The Michigan Legislature's drive to adjourn this week for the summer may be complicated by Gov. William G. Milliken's last minute bid to salvage $10 million of the $17.6 million budget surplus he outlined 5½ months ago.

Faced with legislative budget appropriations totaling $1.76 billion, the administration asked election-bound lawmakers earlier this week to adopt further economies totaling $17 million. Based on calculations by Glenn S. Allen Jr., Milliken's budget director, those cuts would trim the combined budget for the now two-day-old new fiscal year to $1.75 billion.

In round numbers, the final revisions are scarecely noticeable. Calculated in millions of dollars, the revisions amount to an increase of $11 million over what Milliken proposed in his Feb. 5 budget message.

Compared with the year just ended, the new budget would amount to a $211 million increase.

Senate Makes Cuts

Allen's figures, including a year-end estimated surplus of $69 million as of last Tuesday, the state headed for a $7 million deficit, brought on largely by House additions to the budget appropriations.

In an effort to right the balance, the Senate Wednesday passed cutbacks of more than half the 13 general budget bills to project a $4 million surplus. Sent to the House periodically throughout the day and night, most were rejected and shunted into joint conference committees for final drafting.

Amendments adopted by the Senate numbered in the hundreds, and observers predicted the process of printing and studying all of them might carry the legislature into session on Saturday or next week.

School Bill Left

Also still to be settled is the long-stalled state school aid fund. House Democrats, coming down substantially from the $1.22 billion sum adopted earlier in the year, aimed for $971 million. The administration and majority Republicans in the Senate spoke of a $970-million total.

Both plans envision a $22 million parochiaid section for aid to private secular and church-run elementary and secondary schools.

Chief among those spending bills approved in the Senate was a $56.6 million grants and transfers measure that included Gov. Milliken's proposal to grant $5 million to the financially troubled city of Detroit. The vote was 31-5.

The Detroit grant, which met such opposition in the House that the bill was defeated once before finally winning the two-thirds vote needed for passage, drew little direct condemnation in the Senate.

AS TEMPERATURES SOARED in the high 90s in Detroit, Nick the polar bear suffered from a bad case of the blahs — as indicated here. Nick was one of several animals at the Detroit Zoo who would have preferred cooler breezes. (AP Wirephoto)

Defends Move Into Cambodia As Necessary

LOS ANGELES (AP) — President Nixon has strongly defended the Cambodia operation while naming a new U.S. negotiator to the long-stalled Paris talks on ending the Vietnam war.

David K.E. Bruce—"one of America's most distinguished diplomats," Nixon said in an hour television-radio interview Wednesday night—will take over the post vacated by Henry Cabot Lodge Jr. last December.

Without disclosing any new peace formula, Nixon said Bruce "will be in a position with his new instructions to tell the opposition. . .that we are willing to see whether we can narrow the gap between their position and ours."

Indochina Prime Topic

Bruce, 72, a Maryland native and lifelong Democrat, has served under five presidents including ambassadorships to France, Germany and Great Britain. He will go to Paris by the first of August.

Indochina was the prime topic and the Mideast secondary as Nixon underwent a quizzing from three network panelists in his first public appearance since the June 30 pull-out of U.S. ground forces from Cambodia.

On the Mideast, Nixon portrayed the Arab-Israeli conflict as potentially more dangerous than Southeast Asia because it has the possibility of a big war with the Soviets and Americans on opposite sides. He said the United States would not allow the military balance to shift against Israel.

Swipes At Senate

But it was on his controversial decision to send U.S. troops into Cambodia April 30 that Nixon waged his most vigorous defense—and quickly started drawing a rebuttal from congressional critics.

With a swipe at the Senate's Tuesday vote to bar the President from sending U.S. forces back into Cambodia, he declared:

"As commander-in-chief, I had no choice but to act to defend those men (the Americans in neighboring South Vietnam.

"If I am faced with that decision again, I will exercise that power to defend those men. It will be done."

"Decisive Action"

Nixon rated the two-month U.S. foray against enemy sanctuary areas inside the Cambodian border as "the most decisive action in terms of damaging the enemy's ability to wage effective warfare that has occurred in this war to date."

He also said "Cambodia's chances of surviving as a neutral country are infintely better now than they were on April 30."

Nixon refused to say point-blank that he would never order GIs back into Cambodia—"when you say can I be pinned down to say that under no circumstances would the United States ever do anything, I would not say that," he told one questioner.

But he stated "we do not plan on it, and under the circumstances, I believe that the success of the operation which we have undertaken, as well as what the South Vietnamese will be able to do, will make it unnecessary."

Vietnamese Remain

He said some 8,000 South Vietnamese troops remain in Cambodia cleaning out sanctuary areas. And if Cambodia's Lon Nol regime should fall to the

Anti-Parochiaid Petitions Head For Court Test

LANSING (AP) — The Board of State Canvassers and opponents of state aid to nonpublic schools have agreed there should be a court test of the legality of petition forms seeking to put the issue on the November election ballot.

No action was taken on the Daylight Saving Time issue pending a count of petition signatures.

Acting on the advice of Assistant Atty. Gen. Russell Searl, the three board members present Wednesday were unanimous in holding the language of the parochiaid petition form was legally unacceptable.

Board Chairman John Schoener of Muskegon emphasized the board was not ruling on if the anti-aid group — Michigan Citizens to Advance Public Education CAPE — had enough signatures to make parochiaid a ballot issue.

Board members Nathan Conyers of Detroit and Zoe Shaffer Burkholz of Benton Harbor concurred.

Cite Kelley Ruling

Searl cited a ruling by Atty. Gen. Frank Kelley which held, in effect, that the petitions were faulty because they failed to give the portion of the State Constitution to be amended and the wording was so vague citizens could not determine the issue.

Jay Wabeke, chairman of the board of CAPE, contended the State Constitution already forbids parochiaid. He said the purpose of the ballot issue was to clarify and not change the Constitution.

Wabeke said his group had not yet determined where they would fight the court case. He mentioned the Ingham county circuit court and the State Court of Appeals as possibilities.

The anti-aid group claim they have 319,317 signatures on petitions seeking to have the issue decided by the voters. Some 264,000 valid names are needed to make this a ballot issue.

No Signature Count

The elections division has not yet started to count the 18 cartons of petitions sealed and put under lock and key until the legalities are decided.

The board took no action on petitions submitted seeking to put the Daylight Saving Time issue on the November ballot.

The elections division was ordered to accept and count the petitions by the court of appeals. The appeals court ruled a law requiring the submission of such petitions 10 days before the start of the legislative session was unreasonable and unstitutional.

Fast time backers, led by the Michigan State Chamber of Commerce and Detroit Chamber of Commerce, have been filing petitions in separate batches. They now claim about 224,000 signatures have been filed.

Some 197,000 valid signatures are needed to put this proposal before the voters.

Just Start Count

Members of the State Elections Division said they have

Stormy Speech Opens Meeting

MANILA (AP) — The Southeast Asia Treaty Organization's Council of Ministers opened its 15th annual meeting on a stormy note today as Thailand's foreign minister denounced "Western politicians ... for harassing and persecuting loyal SEATO members."

In an obvious reference to U.S. Senate doves, Foreign Minister Thanant Khoman said his own nation and others had been attacked with "unrestrained rage and fury ... in a sad display of mental pollution and perversion."

He warned that if SEATO is scrapped, the peace and security of Southeast Asia will then have to be safeguarded "by other means and arrangements based on new realities and changing facts of international life."

U.S. Secretary of State William P. Rogers sought to reassure the SEATO allies that under the Nixon Doctrine the United States intends to remain a Pacific power and will not withdraw into a shell of isolationism.

"We will support the efforts of our Asian friends to maintain their own sovereignty and security," he said. But Rogers again emphasized that the Nixon administration under the policy of Vietnamization, is turning over the primary responsibility for ground combat to the South Vietnamese and is looking to nations directly threatened by Communist forces to provide the manpower for their defense.

U.S., Soviets Move Closer On Mideast

UNITED NATIONS, N. Y. — (AP) — Diplomats at the United Nations say there are indications that the Soviet Union and the United States have moved closer together on how to settle the Arab-Israeli conflict.

Diplomatic sources said Wednesday that both countries recently made proposals indicating they had softened their requirements for a Middle East peace settlement.

The sources said the Russians now propose formal Arab "commitments to peace" becoming effective following the first phase of Israeli withdrawal from the Arab territories occupied in the June 1967 war.

The U.S. proposal calls on Israel to settle for permanent boundaries that would be the same "in principle" as the pre-war Arab-Israeli lines, the sources said.

Insist On Withdrawal

The Arabs have been insisting on complete Israeli withdrawal from the occupied territories, and the Israelis have been demanding direct negotiations based on Arab recognition of Israel as a state.

Western and Soviet diplomats have been trying to reach an acceptable compromise at the Big Four talks in New York and at U.S.-Soviet talks in Washington.

The talks in both cities center on the resolution approved by the U.N. Security Council on Nov. 22, 1967, which calls for settlement of the 1967 war with a "just and lasting peace" based on Israeli withdrawal from occupied Arab territories and Arab acknowledgement of Israeli sovereignty within recognized boundaries.

The Russians had been asking the Americans how they interpreted "recognized boundaries," and the Americans were asking the Russians how they interpreted a "state of peace," diplomatic sources said.

Hold 38th Session

The chief U.N. delegates of the Big Four nations—the United States, the Soviet Union, France and Britain — held their 38th meeting in 15 months Wednesday. U.S. Asst. Secretary of State Joseph J. Sisco met Wednesday with Soviet Ambassador Anatoly F. Dobrynin in Washington.

In the Middle East today, the Israeli military command in Tel Aviv said Arab gunners in Jordan fired rockets at two Israeli settlements in the Jordan Valley but caused no casualties. The fire was returned, a spokesman said.

Latin Embassies Hit By Bombs

WASHINGTON (AP) — Four Latin American embassies were firebombed and damaged slightly early this morning, almost precisely 24 hours after the Inter-American Defense Board was rocked by a pipe bomb. Police said no-one was injured.

There was no indication of who was responsible for today's attack.

Senate Tables Tax Amendment

LANSING (AP)— A proposed constitutional amendment limiting the property tax for school spending of 12-16 mills, has been tabled in the Michigan Senate.

The measure, passed in the House last Friday, is one which Gov. William Milliken called a major plank in his education package.

A concerned Milliken conferred late Wednesday with Senate leaders after the proposal was reported from committee with amendments and without recommendation for passage.

The Senate must muster 20 votes even to begin consideration of the amendment. Some lawmakers predicted there would be only 18 votes, leaving the proposal in legislative limbo at least for the moment.

Weather

ESCANABA AND VICINITY — Variable cloudiness with chance of occasional thundershowers today, high in the mid-80s. Chance of showers tonight and Friday. Low tonight, upper 50s. Cooler Friday, high mid-70s. High Wednesday, 90; low overnight, 69. Rainfall in past 24 hours ending 6 a. m. today was .03 inch.

Sun sets today at 8:42 p.m. and rises Friday at 5:03 a.m.

Flags, Fireworks, Soul Food To Honor America

By The Associated Press

Flags, fireworks and soul food are some of the ingredients that will go into Honor America Day activities designed to show love of country on this July 4.

"There will be no banners, no signs, just flags," says Robert E. Cole Jr., Honor America Day parade chairman in Waikiki. He described this Saturday's parade as simply a "flag carrying" march.

Negro leaders in Milwaukee have planned three days of soul food picnics, gospel singing and dances to honor blacks who have died in war. The activities will end July 4 with a parade to honor Crispus Attucks, a black patriot killed in the Boston Massacre prior to the Revolutionary War.

In Virginia, nearly 400 Boy Scouts are participating in a four-day marathon to carry an American flag mounted on a baton from Williamsburg to Washington, where they will arrive for the Honor America observances.

July 4 marks the 194th anniversary of America's birth as a nation, celebrating that day in 1776 when the Continental Congress adopted the Declaration of Independence.

This year Honor America Day activities that are centered in the nation's capital will be added to traditional Independence Day events.

The demonstration designed to show love of country is led by evangelist Billy Graham and entertainer Bob Hope.

The Washington, D.C., project will feature memorial and patriotic services at the Lincoln Memorial and a stage show ending with a fireworks display.

In Perry, Iowa, Independence Day will be celebrated July 3 so the Honor America festivities won't conflict with them, a local civic leader says.

Going to the nation's capital are hundreds of New Yorkers aboard the "Honor America Express," five busloads from Indiana, and several from Massachusetts and other areas.

Actor Howard Keel will read from the Declaration of Independence in Philadelphia's Independence Hall, the nation's birthplace.

Richard Cardinal Cushing of Boston has ordered the ringing of bells in Roman Catholic churches to coincide with the Washington activities.

And in the Rose Bowl in Pasadena, Calif., wives and families of servicemen missing or captured in Vietnam will be honored prior to the fireworks display.

Today's Chuckle

Said the big businessman: "Actually, I don't mind the government pumping money into the economy—but they always want to use my well."

Council Cuts Budget:

Library Service Reduced In City

The Escanaba Public Library is receiving less funds for its operations in the fiscal year that began July 1, and this has forced a reduction of hours of service.

The Library Board had requested $95,485 for the library budget and the city administration recommended and the City Council approved a reduction to $76,536.

The $76,536 for the current fiscal year compares to a budget of $88,184 for the library last year, an actual cut of $11,648.

"Since personnel services represent about 50 per cent of the budget, we have had to reduce the staff by one full time clerk and also reduce the number of hours that our library aides can work," said Librarian Mrs. Lillian Brookes.

"The book budget has been cut, along with other reductions such as subscriptions, special training schools and meetings, and so forth," she added.

"The library has been open to the public 69 hours a week. With a shortage of staff we are forced to reduce the hours by 12, hoping that we can operate efficiently."

The summer schedule beginning July 10 will be:

Monday-Thursday—9 a. m. to 9 p. m.

Friday—9 a. m. to 6 p. m.

Saturday—Closed all day.

Briefly Told

Men and women of the Moose will meet at the clubrooms Monday at 8 p. m.

Open house planned for parishioners at St. Patrick's rectory will be deferred from July 4 and 5 to July 11 and 12.

The regular promenade of the Delta County Voiture 663 of the 40 an 8 will be held tonight at 8:30 in the American Legion Club rooms. All Voyaguers are requested to attend.

Wilfred A. Peloquin, 309 S. 5th St., has been promoted to the position of Senior Professional Representative in Upper Michigan for Merck Sharp & Dohme, a Pennsylvania-based pharmaceutical firm. He has been with the firm for 24 years.

Blueberry Week

LANSING (AP) — Gov. William Milliken has proclaimed July 19-25 as Blueberry Week and Veterans Administration Anniversary Week in Michigan.

Polio Clinics Slated Locally

The Delta-Schoolcraft Medical Society and the Delta-Menominee District Health Department will hold the second oral polio clinic from 6 to 7 p. m. on Thursday, July 9, at the Delta-Menominee Health Department located in the Delta County Building.

Another clinic will be held on Monday, July 13, from 6 to 7 p. m. at the James T. Jones School in Gladstone.

Two doses of oral trivalent polio treatment are needed for adequate protection. Persons, one to 50 years old, who had their first oral polio inoculation in May, will be given their second.

Children who were given the oral polio inoculation in the spring of 1964 and were under one year old at that time should receive a booster oral polio to be sure that they are adequately protected at this time.

Oral polio treatment is not for expectant mothers, persons on cancer therapy or with low gamma globulin. A donation is asked.

Persons who want to receive their first dose at this clinic may get the second dose at the Health Department, in six to eight weeks, at the regular Friday clinic from 2 to 4 p. m.

Big Day Planned In Hermansville On 4th Of July

HERMANSVILLE — Complete plans for the Fourth of July observance here were announced today by Lee Floriano American Legion Post.

A parade will be held at 9:30 and will begin at the Hermansville Beach. Cash prizes will be awarded to the five best floats and there will also be prizes for children's floats.

Races, contests and games for children and adults have been planned and concession stands will be open on the main street.

A Homecoming Dance has been scheduled at the Camp Seven American Legion Hall at 9:30 p. m. and the music will be provided by the Whitens and Arduin Orchestra.

In conjunction with the holiday observance, the 1944-45-46 classes of Hermansville High School will hold a reunion on Friday and the Italian Lodge will hold its annual reunion on Sunday.

More people get more news from newspapers than all other sources combined.

GROUND BREAKING CEREMONIES for the new 118 mobile home pad addition to Phil & Lee's Mobile Home Court were held Monday. Shown above, left to right, are Larry Moucty, engineer; Orville Lantagne, salesman; Mrs. Phil LaMarche; Mayor Ron DeVos; Paula Fleetwood, Miss Delta County; Phil LaMarche; John Greene, president of the First National Bank; Martin J. Thompson, VanEss Co.; and Dennis LaMarche. Phil & Lee's presently have 40 occupants with partial completion of the 118 units expected within 60 days and full completion expected in September. Each pad will be 45 by 80 feet and the new area will include a recreation area, laundry, complete landscaping, cement pads, black top streets, dusk to dawn lights and underground utilities.

AMC Sent Back To U.P. Court

American Motors Corp. has been ordered back to Houghton County Circuit Court in a five-year-old case of a car which burned shortly after its 1,000-mile check.

The State Court of Appeals reversed the decision of Circuit Judge Stephen Condon to dismiss the case.

It will provide another day in court for Julia Holpainen and Beatrice Rousse who bought the car from Nelson Brothers in February of 1965.

Court records showed that the radio was replaced and a cigarette lighter installed and noisy tappets were corrected in the 1,000 mile check.

Explosion And Fire

Shortly after, the owners said they heard an explosive noise in the motor and a fire ensued, causing damage that cost $603 to repair. Testimony said the car was depreciated by $200 to $300.

Condon ruled there was not enough evidence of negligence on the part of American Motors Corp. to take the case to a jury. The Appeals Court said:

"A careful review of the record discloses sufficient evidence by which the jury could reasonably infer that the accident was caused by a spark from defective ignition wiring installed by the defendant."

Testimony was sufficient, the court said, to indicate defective wiring as the cause rather than a bare electrical connection left unnoticed after repair work was completed.

Procedures now call for Condon's decision to be reversed and the case returned to his court.

Conviction Upheld

In another case, the court upheld the felonious assault conviction of a Marquette State Prison inmate, Clifford H. Hutson, who was accused of assaulting another inmate, Raymond Champagne, in a prison dormitory.

Hutson's lawyer said the prosecution did not call enough witnesses to the assault, though it allegedly occurred in the presence of 70 other inmates.

Senate Meets For 8 Seconds

WASHINGTON (AP) — The Senate met for eight seconds today—the second shortest session on record—then adjourned for the July 4th holiday weekend.

The shortest session—two seconds — occurred Sept. 4, 1964. The presiding officer in each case was Sen. Lee Metcalf, D-Mont.

The House, meanwhile, quit Wednesday after a one-hour session. It, too, will return to deliberations at noon Monday.

Heath Unveils New Programs

LONDON (AP) — Prime Minister Edward Heath's two-week-old Conservative government unveiled the broad outlines of its legislative program today, promising tax cuts and strike curbs at home and a vigorous foreign policy abroad.

Queen Elizabeth II outlined the Tory legislative package in her traditional speech from the throne at the glittering ceremonial opening of Britain's 47th Parliament. Most of it came out of the Conservative platform in the June 16 general election which returned them to office after six years in opposition.

Beginning with foreign affairs, the queen gave the government's usual pledge to strengthen the North Atlantic alliance, welcomed the talks that began Tuesday on Britain's latest bid to join the European Common Market and said Heath's government "will cooperate with our Commonwealth friends in measures aimed at maintaining peace and stability in Commonwealth countries in Southeast Asia."

This referred to Heath's promise to reverse the Labor government's plans to withdraw British troops from east of Suez by the end of next year.

Turning to domestic affairs, the queen said the government's "first concern will be to strengthen the economy and curb inflation."

Heath in the campaign promised to cut taxes and still expand social services by improving efficiency and cutting out wasteful government spending. The queen's speech reflected this view.

The queen also announced the government plans a bill to curb strikes, a stiffening of regulations covering nonwhite immigrants from the Commonwealth and pensions for the over-80s not covered by present plans.

Educators Take Tough Stance On U.S. Parochiaid

SAN FRANCISCO (AP) — The resolution committee of the 108th annual National Education Association convention proposed today a hard-line position against use of federal funds in private or parochial schools.

A committee resolution asks that present federal programs be "modified so that all federal monies for elementary and secondary education, goods and services, either direct or indirect, shall be expended solely for the support of public schools."

Return To 1965

This was a return to the NEA position prior to 1965 when Congress passed the Elementary-Secondary Education Act, which provided some federally-financed services and materials for private schools, including textbooks, library facilities, instructional matter and lunches.

The resolution states that legislation "should be consistent with the constitutional provisions respecting an establishment of religion and with the tradition of separation of church and state with no diversion of federal funds, goods or services to nonpublic elementary and secondary schools."

The resolution concludes:

"Where federal funds are presently provided to kindergarten to 12th grade nonpublic schools, these funds be discontinued; however, until such funds are discontinued, these funds shall be controlled by public education agencies and be limited to tuition-free schools that meet all standards required of public schools."

Nixon Suggestion

President Nixon earlier this year in a message to Congress suggested that ways should be found to lend financial assistance to private schools, which he said were closing at the rate of one a day.

Last April 21 Nixon announced creation of a panel on nonpublic education to "promote diversity within the Constitution."

At that time he said if "most or all private schools were to close or turn public the added burden on public funds by the end of the 1970s would exceed $4 billion per year in operations and an estimated $5 billion more needed for facilities."

The 7,000 delegates to the NEA Representative Assembly will begin their deliberations Friday and continue through Monday.

Mrs. Ballentine Taken By Death

MANISTIQUE — Mrse. Lena Blanche Ballentine, 87, of 9599 Evergreen Road, Detroit died Wednesday at the Schoolcraft Memorial Hospital where she had been a patient since June 13.

The former Lena Rosebloom was born Aug. 15, 1882 in Frankfurth, Ohio, and had lived most of her life in the Greenfield and Columbus, Ohio areas. She had been a summer resident of Curtis for the last 15 years. She was married to Forest Ballentine in Dayton in 1904 and he died in 1945. Mrs. Ballentine was a member o fthe Greenfield Baptist Church.

She is survived by one daughter, Mrs. George Hobart (Helen) Titswell of Detroit; one sister, Mrs. Davy O'Brien of Columbus, two grandchildren and one great grandchild.

Friends may call at the Messier-Broullire Funeral Home after 5 p.m. today and the body will be taken to the Anderson-Struve Funeral Home in Greenfield where funeral services will be conducted Sunday afternoon. Burial will be in the Greenfield Cemetery.

Rec Program Set At Hermansville

HERMANSVILLE — The schedule of activities for the Hermansville Area Summer Recreation Program has been announced by William R. Hull, the Meyer Township supervisor.

Supervised recreation has been scheduled on Monday through Friday from 9 a.m. to 12 noon for boys and girls, ages 7 through 12, behind the Community Club Building. Activities will include softball, kickball, tennis, volleyball and basketball.

A story hour for boys and girs, ages 4 through 10, will be held on Tuesdays and Thursdays from 10:30 to 11:30 a.m. at the Menominee County Branch Library.

Supervision at the Hermansville Beach will run on Monday through Friday from 12:30 to 5:30 p.m.

The United States farm population is declining, but enrollment at agricultural colleges continues to climb. Four out of five students now come from cities, not farms, to study rural sociology, environmental toxicology and other subjects to fit them for jobs in the growing farm machinery and chemical industries.

OVER 1,500 USED LIBRARY BOOKS, donated by the Carnegie Library of Escanaba, have been sent to Asmara, Ethiopia, through the efforts of the Rev. Roger Patrow, pastor of the Immanuel Lutheran Church here. Rev. Patrow had served as a missionary-teacher in Ethiopia, before coming to Escanaba. Helping to load the books for shipment are, from left, Mrs. Lillian Brookes, librarian at the Carnegie Library, Jay Sivertsen, Bob Gerdeen and the Rev. Patrow. (Daily Press Photo)

Used Library Books On Way To Ethiopia

Many people and organizations in Escanaba were involved in a shipment to Ethiopia of over 1,500 used library books which were donated by the Carnegie Library.

The books were made available when space was needed on the shelves for newer books. The 57 boxes sent weighed over 2,300 pounds.

Rev. Roger Patrow of Immanuel Lutheran Church, who served as a missionary teacher in Ethiopia prior to coming to Escanaba, contacted personnel of the U. S. Naval Station in the city of Asmara, Ethiopia, where the books were sent.

Escanaba Rotary Club members contributed toward the cost of shipment; Coca Cola Co. provided boxes needed for shipping the books; Birds Eye Veneer provided stencil equipment; high school youth of Immanuel Lutheran picked up, sorted and brought the books to the Post Office; and packing of the books was done by Mrs. Patrow and Mrs. Ole Veseth.

The books are now started on their 10,000 mile trip to the ancient land of the Queen of Sheba.

Summer Reading Program Is Now In Second Week

The Summer Reading program, designed to improve language skills of 300 students in the Escanaba Area School District, is now in its second week of a planned six week session.

Speech Therapists Miss Janis Sundman, serving the Lemmer Rearding Center and Miss Marsha Frederick, serving the Webster Reading Center provide speech therapy for those students in the reading program in need of speech help.

They also offer their services to any child attending school in grades 1-5 in the Escanaba Area and in need of "speech help, only." They may be reached for consultation or special speech help by calling the Lemmer Center, 786-5333, or the Webster Center, 786-6118.

The reading program has been enriched this summer through the loan of 1,500 library books from the Carnegie Library.

Vision and hearing screening and dental check-ups are provided for all students enrolled in the program under the direction of Mrs. Lorraine Haack.

Bus drivers George Cholger, Bryon Ford and John Novack provide transportation throughout the area. George Cholger serves the Pine Ridge, Ford River, and Washington area. Bryon Ford serves Wells and Washington area. John Novack serves the Soo Hill, Riverland and Cornell areas.

Parents may reach these drivers for transportation route information and adjustments by calling Cholger at 786-0461, Ford at 786-6402, and Novack at 786-9338.

Parents will have an opportunity to visit both reading centers during the fourth or fifth week, as an "Open House" visitation day is being planned, said Louis Diedrich, program director.

Air Passenger Traffic Gains

The volume of passenger traffic served by North Central Airlines continues to increase at Escanaba, according to June traffic volume reports announced today by Peter Zimmer, North Central agent.

Passengers this past month totaled 2,371 compared to 2,327 for June a year ago.

Express jumped from 5,770 pounds to 9,193, air mail declinded from 4,060 to 3,723, and surface mail from 4,117 to 422 pounds — the latter because of a change in mail processing by the Post Office Department.

Express increased from 5,770 to 9,193 pounds and freight was down from 32,825 to 29,968 pounds.

Minute Moon Rock Missing

WASHINGTON (AP) — Dr. Nicholas M. Short of the National Aeronautics and Space Administration has lost a piece of the moon.

Short discovered a week ago the tiny fragment, weighing one-fiftieth of an ounce, was missing from a safe at the Goddard Space Flight Center in Greenbelt, Md.

He said Wednesday it is only about two-thirds the size of a garden pea and was stored in a vial.

"With good luck, I still feel it will be discovered," Short said.

Short said the Manned Spacecraft Center, Houston, sent the material from Apollo 11, the first manned mission to the moon, to Goddard last December.

Short's mission was to look for shock effects from meteorite impact. He found none.

"It was of no further interest to our group. It was too small to do anything with."

Short said the vial containing the material was placed in a safe in December. NASA said the sample was included in an inventory made in late February, a month after another a lunar specimen disappeared from a public display in Los Angeles. That specimen was recovered intact.

Short said the Goddard loss was discovered after NASA recalled lunar material.

Other Goddard scientists said the missing fragment had been analyzed in detail and could yield no more data of significance.

District Court

Julie H. Williams, 18, 621 Minnesota Ave., Gladstone, was found guilty on June 30 of being a minor in possession of alhololic beverages and paid a $15 fine and $7.50 costs. She had pleaded not guilty to the charge on May 20.

Doris Ann Lambert, 18, Rte. 1 Gladstone, had charges of being a minor in possession of alcoholic beverages dismissed against her on June 30. She had pleaded not guilty to the charge on May 20.

Todd J. Strom, 17, 1523 Montana Ave., had charges of being a minor in possession of alcoholic beverages dismissed against him on June 30. He had pleaded not guiltv to the charge on May 20.

Collins' Murder Witness Jailed

ANN ARBOR (AP) — Andrew Manuel, 26, who has been named a prosecution witness in the murder trial of John Norman Collins, pleaded guilty to probation violations Wednesday.

Manuel, who is from Salinas, Calif., but has been living in Ypsilanti, appeared before Circuit Court Judge William F. Ager Jr., on a charge of violating probation on his suspended five-year sentence. Judge Ager set sentencing for July 15.

Last December, Manuel was given a suspended five - year sentence after pleading guilty to a charge of larceny by conversion.

The charge concerned a rental trailer that Manuel took from Ypsilanti and left in California when he and Collins, an Eastern Michigan University senior, went there last year.

The probation violations on Manuel concerned failing to report to the probation office, failing to pay court costs, associating with a known federal probationer, and failing to notify court officials of the change of address.

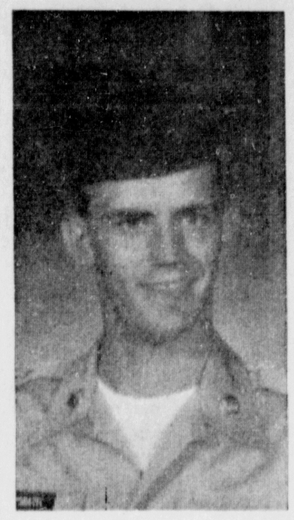
Manuel remained confined in the county jail, where he has been since his arrest about 10 days earlier.

Meanwhile, jury selection was scheduled to resume Thursday afternoon in the circuit court case of Collins, who is charge with slaying Karen Sue Beineman, 18, an Eastern Michigan University coed. She was one of seven young women killed in the Ann Arbor-Ypsilanti area in a two-year period. No one has been charged in the other six deaths.

The first segment of a 300-member July jury panel was to report to the court for continued jury selection. So far, 13 jurors have been seated tentatively. They, however, still are subject to peremptory challenges.

The prosecution has nine peremptory challenges remaining and the defense eight. Fourteen jurors are to be chosen, with two of them being removed after the trial.

A member of the lamoid family of South American camels, the vicuna thrives at altitudes ranging from 12,000 to 16,000 feet. The animals travel in small bands of 15 to 20 led by a single male. At any sign of danger, the leader utters a shrill cry and covers the herd's retreat as it dashes off at speeds reaching 30 miles an hour. If the male is killed the females linger instead of continuing their flight.



PFC KENNETH E. PORATH, son of Mr. and Mrs. Earl J. Porath of Hyde, was seriously injured in Cambodia on June 17, his parents have been advised. He was hurt when an artillery round fell from a helicopter he was assisting unloading, and struck him. He suffered fractured ribs and some internal injuries, and is now recovering in a hospital in Vietnam. He entered service Sept. 3, 1969, trained at Fort Campbell and Fort Polk and went overseas in February this year.

Park Proposal

Secretary of the Interior Walter J. Hickel has endorsed a bill to establish the Voyageurs National Park in northern Minnesota just east of International Falls.

The park would preserve forested lake country along that state's northern border, the scene of an epic chapter in North American history. A wild network of waterways, lakes and forests there was the lifeline of the colorful fur trade of the 17th and 18th Centuries. French-Canadian canoemen — "voyageurs" — carried pelts from the far Northwest, through what was to become the northern Minnesota country, across the length of Lake Superior and on to Montreal.

If enacted, the bill would set aside some 139,000 acres of the Kabetogama Peninsula area in a national park, including 35,000 acres of what is a major portion of the Crane Lake Recreation Area now administered by the U. S. Forest Service. Of the 104,000 acres outside the Crane Lake area, 27,000 acres are in state and county ownership, and the cost of acquiring the remaining lands from private owners is estimated at $20,000,000. Cost of development of the 104,000 acres has been estimated at $19,179,000.

Voyageurs National Park would be the second in the Upper Midwest. The existing park is Isle Royale National Park in Lake Superior.

★ ★ ★

As is almost always the case when a new national park or recreation area is being established, the proposal has encountered objections. The principal criticism in this case has come from timber companies, which own land in the area, and from resort owners operating there.

Similar objections were raised when the National Park Service proposed the establishment of the Pictured Rocks National Lakeshore in Alger County. The timber company in that instance was the Cleveland-Cliffs Iron Co., which has extensive holdings in the area being set aside for public recreation and had recently constructed a large, modern sawmill in that vicinity. A compromise was worked out that apparently was mutually satisfactory. It will permit timber harvest in a portion of the national lakeshore while banning logging from the remainder of the area.

Perhaps something of this sort can be achieved between the federal government and the timber owners in the Voyageurs National Park area, although the National Park Service in the past has shown little inclination to compromise on national park policy.

The National Park Service also is maintaining its rigid policy against hunting on national park land. In a report on the Voyageurs National Park by the Department of the Interior, parent agency of the National Park Service, it is stated: "If an area is to be accorded the dignity and stature of designation as a national ark, then many ordinary recreational and commercial influences, including hunting and trapping, must be subordinated to the larger achievement of preservation. While other avenues of national recognition can accommodate such uses, such as a national recreation area, we cannot support the establishment of a national park which includes recreational or commercial hunting and trapping."

If Voyageurs National Park becomes a reality, it apparently will be on the terms of the National Park Service, illogical as those terms sometimes are.

Campus Riot Costs

It isn't just the serious students who are hurt by campus riots which disrupt education. It's costing taxpayers and donors, too.

The cost of higher education, which has risen steeply in recent years, is going to get even more expensive as a result of the recent college riots. Universities are faced with tremendous increases in insurance premiums and higher reductions because of the vast amounts of damage resulting from student radicalism which has taken a destructive bent.

The University of California, for example which has been enrolled in student riots for over half a decade, now has to pay over $1 million for a three-year policy which used to cost $200,000. Adding even more to the cost of education at the University of California is the increase in damage deductions from $250,000 to $1 million, which means that the school gets much less coverage at a higher price.

In the past insurance companies could establish, through patterns over a period, the probability of payoffs for damage. There is no probability for the malicious destruction of school property which characterizes the recent student militancy. Since insurance companies can't predict their costs they must raise premiums high enough to cover nearly any eventuality.

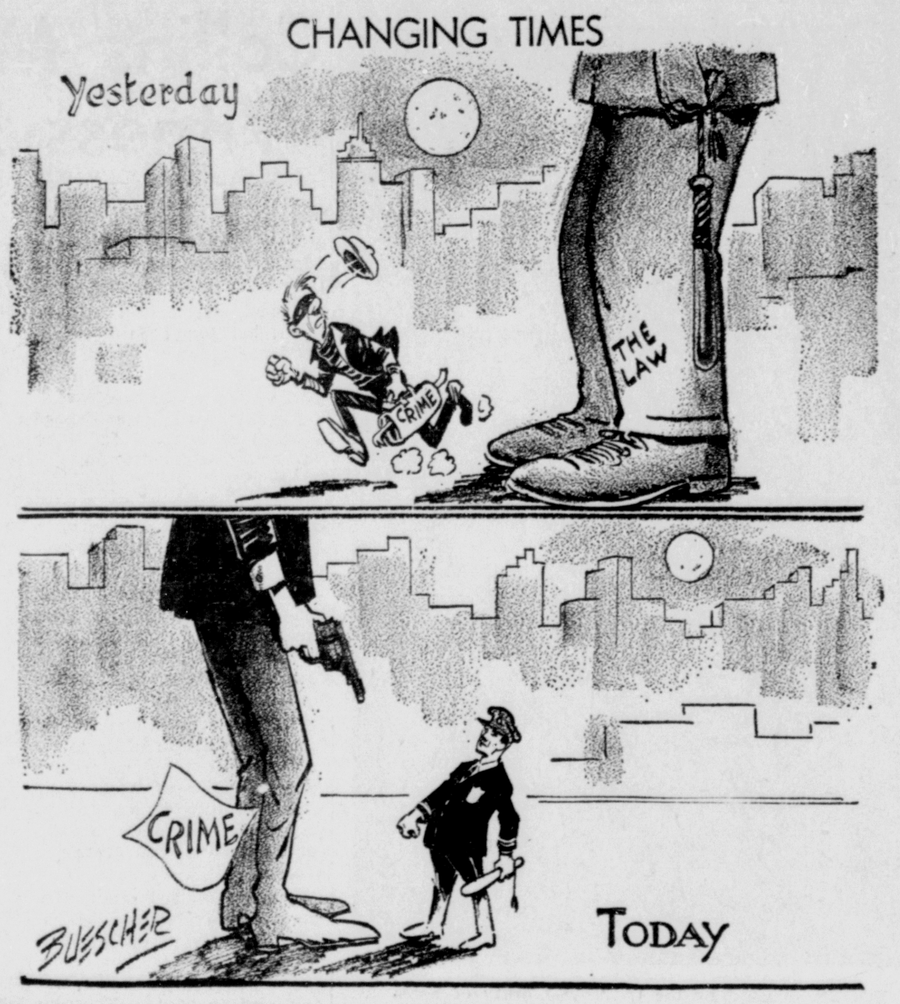
The need for better security is also forcing up costs. The University of Illinois' campus in Champaign spends $800,000 annually for a 72-man police force which it plans to increase by one-half. UCLA has expanded its security outfit from 39 to 52.

As the demand for better protection has increased, so has the need for more qualified personnel. The old man with a flashlight is no longer sufficient. Campus police must be as well trained as regular law officers which means higher salaries.

Increased school cost will pinch not only the taxpayer and donor but also the student who goes to school to get an education. He will be hurt two ways. His bill will be increased and the chances of learning in a disruptive atmosphere decreased.

Peninsula Potpourri

Within the last fiscal year Munising Memorial Hospital has shown a 40 percent increase in patient census. In past years, the hospital has operated at times as little as 10 patients while in April of this year for two days there were 42 patients in the 34-bed hospital. The higher census can be attributed to several things: There are now three highly trained physicians on the staff and within the next two years two more are expected to join.



Pollution Threatens Cologne's Cathedral

By JOHN CHAMBERLAIN

COLOGNE—Cologne's cathedral is a magnificent witness to several centuries of Christendom. It is also a witness to pollution.

Every day 45 stone masons from the nearby Eifel Mountain region come into town to work at the patient business of restoring the basalt stone that is being eaten away by the acids in the Rhineland air. The smog has filtered down for years from the great cracking plants a few miles to the north where naphtha is changed into petrochemicals.

The grime from the steel mills at Duisburg and the Ruhr valley has blackened the cathedral's stones. Between the impalpable industrial foulness from the upper air, the nitric acid, and the exhaust from the cars on the autobahn, the cathedral, if left unattended, might collapse to the ground in a grisly death race with Venice, which is supposedly sinking into the sea.

There is little enough money to pay for the needed renewal of crumbling masonry. By holding an annual lottery, and by collecting small sums from individuals and foundations, a million marks are assembled each year to finance what renovation is done. To stay even with the depredations of smog and weather, or to get a little ahead of the game, a total of two million marks is required. But how to get it?

★ ★ ★

There are some hopeful people who think the cathedral is in for better days no matter what is accomplished by way of raising money to replace the old stones. But there are plenty of skeptics, too.

To a visiting American who travels down the Rhine to Duisburg and Dusseldorf, the smog reminds one of Los Angeles. There is the same stinging sensation around the eyes, the same watery blurring of vision. However, people who have worked for the Thyssen steel company in the Hamborn suburb of Duisburg say the air pollution is not so bad as it used to be, and they think conditions will be even better tomorrow.

Last January a new law went into effect compelling the steel mills to cut their pollution to a minimum or face severe penalties. To prepare for the day when the new law was to become operative, the Thyssen company actually closed down some open hearth furnaces that had had only 10 years of use.

The Thyssen works at Hamborn were already turning to an across-the-board use of the new basic oxygen process in steel making, which pollutes less than does the open hearth. Today the Hamborn complex produces ten million metric tons of steel a year in two great basic oxygen shops without adding much dust to the air.

★ ★ ★

The best thing for the Duisburg-Holborn area is the phasing out of the last of the old Thomas converters which filled the air with "brown smoke." Today there is only one place in the whole Ruhr where a Thomas plant (similar to a Bessemer plant) still operates, and it will be discontinued soon.

People who remember the old days in the Duisburg-Dusseldorf region, when the leaves of trees were more gray than green, have suddenly wakened to the reality of fresh foliage. The trees themselves—to be pathetically fallacious — must have been surprised when the Thomas converters disappeared.

Even with the new basic oxygen furnaces a special effort is needed to comply with the new anti-pollution law. Thyssen figures that it costs 2.5 marks per ton of steel to keep the air clean in and above its steel making facilities.

With ten million metric tons being produced in a year, this means that Thyssen (which, incidentally, might be called the U. S. Steel of West Germany) spends 25,000,000 marks for air pollution control. In dollar terms this means that some $7 milion a year is spent for no financial return beyond the gaining of a little usuable steam that results from cooling gases with water.

In terms of charity, the 25,000,000 marks might be called the Thyssen contribution to the saving of Cologne Cathedral. For if pollution is kept from gong into the air around Duisburg, it can't drift up the Rhine for a few miles to Cologne.

The friends of the cathedral, however, still insist they need direct money contributions to save their great relic of the high Middle Ages. The chemical plants still do some polluting, and the automobiles still burn gasoline badly.

Some smog is still there, as you can tell from the smarting evidence of your eyes.

Huber Gaining On Lenore?

LANSING (AP) — State Sen. Robert J. Huber claims a national news magazine article demonstrates he is ahead of Mrs. George Romney in their race for the Republican nomination for the U.S. Senate.

Newsweek Magazine, in its July 6 issue circulating now, says Mrs. Romney "appears to be slipping rather than gaining in her campaign to capture the Senate seat currently held by Democrat Philip Hart."

The article adds that a May poll "showed she had the support of only 16 per cent of those questioned." It also says she polled 22 per cent two months earlier.

Huber contended Wednesday that Hart's consistent, 52-percent "acceptance" was "a sign that those who are disenchanted with Mrs. Romney are not flocking to the Hart banner." Mrs. Romney won the "preference" of the Michigan republican party in a series of consensus conventions held early this spring.

Huber, a Troy manufacturer, said he assumed he had pulled at least even with Mrs. Romney who is the wife of the former governor, now housing and urban development secretary in the Nixon cabinet. Huber admitted, however, there was no reported poll to show how his own campaign has progressed.

COSTLY FOR CANDIDATES

JOHANNESBURG, South Africa (AP)—Almost a quarter of the candidates in South Africa's April general election found their entry into politics cost them Rands 400 ($560) when they had to forfeit their deposits. Ninety-five of the 404 candidates failed to poll one-fifth of the cotes of the winning candidates in their constituencies. Among them were 75 of the 78 candidates of the extreme right wing Herstigte Nasionale party, which broke away from the ruling Nationalist party last year.

Citizens Push To Oust Board

DETROIT (AP) — A citizen's group says it still plans to push its recall campaign against four Detroit Board of Education members despite the fact the State Legislature has approved a new high school integration plan for Detroit.

"A lot of people—some 130,000 —have decided they don't like these four school board members and that they wanted to vote on recall," said Aubrey J. Short, chairman of the citizens group.

"If they have changed their minds because of what the Legislature has done then, they don't have to vote for recall," said Short.

The Legislature approved the bill Tuesday and sent it to Gov. William Milliken for signing. It called for a new high school redistricting plan to supercede the controversial one passed by the Detroit Board of Education earlier in the year.

A last minute amendment was put on the bill that would allow the citizens group to withdraw its petitions within 10 days after the bill is signed into law.

The recall is aimed at A.L. Werdling. Darneau Stewart, and Peter F. Grylls, whose term expires Dec. 31, 1974.

City Clerk George Edwards said that the 130,000 signatures turned in have been found to be 92 per cent valid. Only 114,118 valid signatures are needed to put it on the Aug. 4 ballot. However, Edwards said a legal challenge of the recall might keep the issue tied up in court.

Michigan Heart Unit OKs $543,123 For Research

DETROIT (AP) — The president of the Michigan Heart Association announced today that the organization had budgeted $543,123 for work on 64 research projects at state medical schools and hospitals.

Dr. Harold E. DePree said an addition $70,000 had been awarded for other related purposes. He said the total $650,000 has remained unchanged for four years. "In these days of inflation," he noted, "a static level of support means we purchanse less research every year."

In addition to the $650,000, the Association will also send about $208,000 to its parent, the American Heart Association, for support of the national research program, he said.

The bidding:

South	West	North	East
1 ♠	2 ♥	2 ♠	3 ♣
4 ♣	Pass	4 ♦	4 ♥
5 ♠	Pass	6 ♠	Dble

Opening lead—four of diamonds.

High-card point count takes a back seat to distribution in some hands, as is evidenced by this deal played in the 1969 Blue Ribbon Pairs.

The bidding shown occurred at the table where Larry Cohen and Dr. Richard Katz held the North-South cards. Cohen and Katz were a relatively unknown pair when they won the Blue Ribbon Pair event in 1968 from a distinguished field of experts. Then, just to show it was no accident, they came close to wining again last year when they finished fourth.

Katz opened with a spade and was raised to two spades after West had come in with two hearts. East, confident that the bidding would not suddenly die, bid three clubs rather than jump-raise his partner to four hearts, for which he certainly had the values.

Katz had only 12 high-card points for his opening bid, but he showed how highly he prized them when he announced his void by making a cuebid in clubs.

Cohen showed his long side suit by bidding four diamonds, and it was now that East weighed in belatedly with four hearts.

Enthralled by Cohen's four diamond bid, which fitted his hand to a T, Katz made a second slam try on his 12 high-card points by jumping to five spades. This suggested that he had no control over hearts and that he had two losers in the suit. At the same time it strongly implied that there was a slam in the hand if North had first or second round control of hearts.

So Cohen, exhibiting full faith and confidence in partner, leaped to six with his 7 high-card points, which East quite understandably doubled. West led a diamond and Katz had no trouble sliding home with 13 tricks.

1st Car To Cross Mackinac Bridge To Grand Rapids?

GRAND RAPIDS (AP) — A 1951 station wagon, which once was to be buried in the Straits of Mackinac, may end up in the hands of the Grand Rapids City commissioner who halted the burial plans last summer.

Commissioner Richard Schwaiger, who led public protests against dumping the vehicle into the straits while still a private citizen, told the commission that the vehicle has been offered to the city. Schwaiger suggested that the station wagon, the first vehicle across the Mackinac Bridge when it opened for traffic in 1958, could be installed in the Grand Rapids museum.

But Mayor Robert Boelens replied to the suggestion, saying: "With hundreds of junk cars on the streets of Grand Rapids, you want us to take another one from Mackinac? What we could do is get the commission to give this car to you."

Ann Landers

Doctor Should Know About Child's Needs

Dear Ann Landers: I am worried about our 12-year-old son. He has an uncontrollable urge to do certain simple things over and over again in order to satisfy himself. For example, he must write at least two words with every crayon in the box before he puts the box away. He must empty his piggy bank and count all his savings every night before he goes to bed. Sometimes he counts the money three and four times.

Three weeks ago I took him to our pediatrician. He said the child is mentally ill and needs help. When my husband learned the visits would cost $15 each he said, "What nonsense! We can't afford it. Just make the kid STOP the foolishness!"

Last night the boy was preparing for bed. He put his pajama tops on backwards, then frontwards, then backwards, then frontwards. He was crying from frustration and kept repeating, "My mind makes me do this!" His dad came into the room and shouted, "If you don't cut out this crazy stuff you'll have to spend the rest of your yife in an insane asylum!"

Please tell me what to do. I am — Worried Sick

Dear Worried: Insist that your husband talk to the boy's doctor. The father needs to have some understanding of the youngster's compulsive behavior. You have a sick child on your hands and he will probably become sicker if he is not treated. Threatening the boy will only make him more compulsive and possibly nonfunctional. If this happens, the $15 visits will seem like nothing compared with what will have to be done to make him well.

★ ★ ★

Dear Ann Landers: A distant cousin moved to this city a few months ago. She has a charming husband and nice children who are the same age as ours.

We have tried to be helpful — done everything we can think of including finding them a lovely home in our neighborhood. On three occasions, we invited friends in so they could meet interesting people. Herein lies the problem.

It seems whenever we are in a crowd, my cousin tells some tasteless "Do-You-Remember-When" story dating back to our childhood. Either her memory is a lot better than mine or she is a liar. Furthermore, I resent such lines as these: "As you know — your mother's house was always a mess." And: "That was the evening your dad got so stiff they had to carry him out." Last night she volunteered this little knife in the back: "You always loved to come to our house on Sundays because you never had a date and you knew I'd have at least three extra fellows hanging around."

I'm beginning to think my cousin is not much of a friend. Am I super-sensitive? Her face is a study in sweet innocence when she makes these cutting remarks. It's hard to believe she is intentionally destructive. I need an unbiased opinion. How should I deal with her? — Way Back When

Dear Way: The next time the Friendly Neighborhood Cobra surfaces with one of her well-masked attacks on your jugular, don't just sit there. Tell her in unmistakable language that her tongue is sharper than her memory and you don't know what in the world she is talking about.

People, Events Of Yesteryears

From the files of the Escanaba Daily Press

25 Years Ago

Cmdr. Rintoul Whitney, a prisoner of war of the Japanese in the Philippines for many months, will be the guest speaker at the meeting of the Escanaba Lions Club at the Sherman Hotel.

★ ★ ★

Members of the Gladstone High School band will meet at the high school to practice for their appearance at the Roleo on the Fourth of July. Ralph Marquette will direct the organization.

50 Years Ago

There is every indication that the Copper Country will see the game of cricket restored to its former level this summer. Teams are being organized in the various localities and enthusiasm is increasing. One indication that the English game again will be popular was seen in the interest displayed in the game in Calumet field when the C & H Blacksmiths won from the Carpenters by seven wickets and one run.

★ ★ ★

Katherine Doherty and Gertrude Loeffler entertained with a marshmallow roast at Ford River for the office force of the Escanaba Lighting Plant. Rewardless of the rain the party was a big success.

Lahainaluna High School on the island of Maui is the oldest American school west of the Rockies. Founded in 1831, it drew students from California families who reasoned that it was safer to send their children across 2,400 miles of open Pacific than through the wilds of North America to eastern schools, says the National Geographic Society's new book "Hawaii."

School Talks Are Underway

Two negotiating sessions between the Area Schools and Teachers Association teams have been held and the groups are approximately $55,000 apart in their efforts to reach agreement on salary and fringe benefits for the 1970-71 school year. A third meeting is planned for July 20.

The difference is approximately seven per cent and administration estimates are that each per cent of increase will cost the district $6,700 annually.

Only salaries and fringe benefits are under discussion since other factors are covered by a three-year master contract which expires in 1971.

"We still have a considerable difference to resolve," said Stanley Arnold, chairman of the teachers' negotiating team. He is being assisted by John LaPointe, Judy Rodgers and Taisto Orhanen.

Administration negotiators are Area Board of Education President Denton Nelson, trustee Ralph Gillam and Supt. Edwin E. Wuehle.

The Teachers Association plans to meet July 27 at 7:30 p.m. in the high school to discuss negotiation progress.

Students Return From Workshop

Three Manistique High School students have returned from a week-long Publications Workshop at Northwood Institute, Midland, designed to prepare students for work in school publications.

The three — Julie DeSautel, Patti Arnold and Kay Gray — were among more than 100 editors and photographers from around the state attending the workshop. The local group represented the Emerald, the MHS yearbook.

School custodians Dave Sheldon and Chet Gould attended a School Maintenance Workshop at Michigan State University in East Lansing June 24-26.

District Court

Robert W. Winkel, N. Houghton Ave., was sentenced to serve five days in jail on June 18 for parole violation. On June 29 he re-appeared before Judge Charles A. Stark on a similar charge and was sentenced to 20 days in jail. Winkel was originally charged with entry without breaking in October, 1969, and placed on one year probation.

Leon E. Jenerou, Tannery Rd., was sentenced to two days in jail and fined $47 and $3 for disorderly. He was also fined $17 and $3 for excessive noise and $15 and $3 for improper U-turn.

Jerry A. Demars, Rte. 1, drew a three day jail sentence and fines and cots totaling $60 for driving with a revoked license.

Dog ordinance violations resulted in $5 and $5 assessments for Kenneth Smith, 540 Park Ave., and Mrs. Howard Leibrock, Indian Lake.

Card of Thanks

Majestic

We wish to thank our friends and relatives for the many cards, gifts and flowers we received while patients at St. Francis Hospital and Schoolcraft Memorial Hospital, Manistique. A special thanks to Dr. Sell, Manistique, Dr. Holt, Gladstone, Father Disheau, the Nurses and Staff at both hospitals, who all helped to make our stay a little more pleasant.

Kiddies Parade In City Friday

The annual Kiddies Parade, one of the most popular events of the city's Fourth of July Celebration, will be staged Friday at 1 p.m. with the procession of costumed children assembling at Triangle Park and parading through the business district to the A. F. Hall Stadium where prizes and awards will be made.

Children, ages one through 12, are invited to take part in the parade and compete for cash prizes, favors and ice cream plus special cash prizes to winners in each age group. Children are asked to be at the Triangle Park at 12:30 when judging will begin.

The parade will be led by a Boy Scout Color Guard and will include Miss Schoolcraft County of 1970, Marie Lesica, and her court attendants Susan Hanson and Becky Rodgers.

David Vaughan of WTIQ will announce the winners at the stadium and a fireworks display, under the direction of John P. Quick, will follow the presentations.

Judges and workers are asked to be at Triangle Park by 12:30. They include Mrs. David Setterlind, Mrs. Jack Creighton, Karen Noe, Donna Carlson, ages 1-3; Mrs. Clyde Strasler, Mrs. Lyle Kotchen, Gail Swartz, Pamela Quick, Nancy LeVeque, ages 4-6; Mrs. William Hood, Mrs. Roland Hoholik, Margaret Bareham, Kathy Selling, ages 7-9; Mrs. Lyle Wilson, Mrs. Merle Wehner, Tricia Slining, Kathy Broullire, Susan Brandstrom, ages 10-12; Mrs. Martinson, Mrs. William Carlson, Mrs. Robert White, Mrs. Roger Sartori, Jan and Julie Hough, vehicles; Mrs. Richard DeMars, Mrs. James Brulla, Patricia Howard, Diane Reid, groups; Mrs. Kenton Billings, Mrs. Richard Fiegel, Mrs. Charlotte Richey and Mrs. Charles Spawr, pets.

Mrs. K. W. Eimerman and Mrs. John Strable will assist parade co-chairmen Mrs. E. J. Doyle and Mrs. J. P. Quick with prize distribution. American Legion Post 83 is sponsoring Fourth of July activities.

Police Charge Two Motorists

Two motorists, arrested in separate incidents last weekend, have been charged with driving while under the influence of intoxicants, Michigan State Police report.

Robert Streefkert, 45, Curtis, pleaded not guilty when he appeared June 29 in District Court and was released after posting $100 bond. He will appear for trial on July 6.

Streefkert was arrested shortly after 11:15 p. m. June 28 when he lost control of his car on a curve and ran off U. S. 2 in Mueller Township. He was originally charged with drunk and disorderly and jailed until his arraignment in court.

Paul Englehart, 23, 126 S. Mackinac Ave., pleaded guilty to driving while under the influence of intoxicants when he appeared in District Court following his arrest June 29. Troopers arrested and jailed Engelhart, after his car went out of control and struck guardrails on County Rd. 442, Thompson Township, at 12:02 a. m. He was originally charged with drunk and disorderly and, following dismissal of this charge, cited for driving while under the influence. He paid $50 and $50.

Obituary

REGNOLD J. LaCOST

Lance Cpl. Regnold J. LaCost was buried with full military honors in the New Garden Cemetery Wednesday following a 10 a.m. Requim Mass in St. John the Baptist Church in Garden. The 20-year-old soldier, son of Mr. and Mrs. Albert J. Durham of Ironwood, was killed June 23 in Vietnam. Fr. Joseph Callari officiated at the service. Pallbearers were G-Sgt. R. E. Rowan, S-Sgt. J. H. Knaack, S-Sgt. R. C. Michelson, Sgt. C. A. Bailey, Cpl. M. C. Himmell, all of Green Bay, S-Sgt. D. R. Granger, K. I. Sawyer AFB, S-Sgt. D. L. Zinkowich, Menominee. Jon Orhanen was bugler. The body was escorted from Delaware by Cpt. John Page of Philadelphia, Army Escort Service.

Briefly Told

Edison Sault Electric Co. has been presented with a "Merit Award" for its 1969 Annual Report to its stockholders by Financial World Magazine on the basis of the report content, design and typography.

Class Of 1945 To Hold Reunion

A good attendance is anticipated when the MHS Class of 1945 meets for their 25th anniversary reunion Saturday. All activities will be held at the Elks Club.

Registration will be held from 1-2 p. m. followed by a group class picture at the high school at 2:30. From 3-5 a "chit-chat" is planned for class members only. The evening banquet will be served at 7 p. m. with a dance at 9:30.

The MHS Classes of 1944, 1946 and 1947 have been invited to attend the dance at the Elks beginning at 9:30. A small admission fee will be charged the guests.

Wyoming Police Get 18 Per Cent Salary Increases

WYOMING (AP) — Members of the Wyoming police union have accepted a new two-year contract calling for raises totaling 18 per cent.

The contract, approved by commissioners of the Grand Rapids suburb Monday, provide a 10½ per cent boost immediately and another 7½ per cent hike next July 1.

The contract raises starting salaries to $7,300 annually, a $2,700 boost over the starting policeman's pay five years ago.

Inmate Stabbed In Ionia Fight

IONIA (AP) — A 21-year-old inmate from the Michigan Reformatory here has been moved to the Southern Michigan Prison hospital for treatment after he was stabbed in a cellblock fight.

Reformatory officials said Jerry Blackburn of Jackson was stabbed three times with a tool from the hobby craft shop. Blackburn reported three inmates attacked him without provocation and said he cannot identify his assailants.

The wounded youth is serving sentences for auto theft and escape.

Mrs. Bruce R. Swagart (Mincoff Photo)

Christine E. Olsen Weds Bruce Swagart

A 3 p.m. ceremony on June 27 in the Cooks Congregational Church united Christine E. Olsen and Bruce R. Swagart in marriage. Rev. Richard Hooker officiated at the double ring service.

Mr. and Mrs. Orville Olsen, Cooks, are parents of the bride and Mr. and Mrs. Gaylord Swagart, Cooks, are the bridegroom's parents.

The bride, escorted to the altar by her father, wore a floor-length gown with Sabrina neckline, A-line skirt of nylon organza - over - taffeta. Bordonne lace motifs accented the gown which featured Camelot sleeves. Her chapel-length train was in the Alta Chel Watteau style. Floral cluster trimmed seed pearls secured her elbow-length tulle veil. She carried a cascade bouquet of white and red roses entwined with ivy.

Maid of honor Barbara Olsen, the bride's sister and Sally Lausten and Mrs. Patty Groleau, bridesmaids, wore floor-length aqua gowns of rayon chiffon over acetate taffeta. Their A-line skirts swept from empire styled waists with cotton lace floral braid trim and long, sheer cuffed sleeves. Their crown-like headpieces were accented with pearls and they carried colonial bouquets of aqua and white carnations.

The bridegroom was attended by his brother, Michael Swagart of Lansing, as best man with groomsmen Earl Hammill of Gulliver and another brother, Larry Swagart of Lansing. Guy Swagart and Keith Flodin were ushers.

The couple left for a wedding trip around Lake Superior following a 5-8 p.m. reception in the Cooks Town Hall. They will make their home in Cooks.

The new Mrs. Swagart is a 1969 graduate of Big Bay de Noc High School and is employed at the Medical Care Facility. Her husband graduated from Big Bay de Noc in 1967 and recently was discharged from the U.S. Army.

Births

MACKINDER — Mr. and Mrs. Robert Mackinder of Leconia, N.H., announce the birth of a son, Phillip James, on June 24. The infant, who is the third child in the family, weighed 8½ pounds. The mother is the former Lois Rozich, daughter of Mrs. Peter Rozich, 215 N. Cedar St., who returned this week from Laconia.

Chicago Prices

BUTTER & EGGS

Egg: prices paid delivered to Chicago unchanged to ½ higher; 80 per cent or better grade A whites 40-43; medium white extras 30-31; standards 34-34½.

Street Address For Candidate Is Questioned

LANSING (AP) — A Democratic opponent has threatened a court fight to challenge the residence given on nominating petitions by Rep. James G. O'Hara, D-Mich.

An attorney for Joseph G. Savage of Roseville, also a Democrat, complained Wednesday before the Board of State Canvassers that O'Hara gave an improper street address on his petitions, listing his residence as in Utica.

Savage is challenging O'Hara's try for reelection in the 12th Congressional District.

Robert J. Lord, the attorney, said he planned to take the issue to the State Supreme Court.

Savage previously had said O'Hara was leasing his house in Utica and was living in Alexandria, Va., just outside Washington.

Russell Searl, an assistant attorney general, advised the canvassers they did not have jurisdiction in the case.

Searl added he thought O,Hara's petitions were proper because of a provision in the law that a person does not gain or lose residence for voting purposes because of federal employment.

Tom Downs, attorney for O'Hara, termed the legal challenge "ridiculous." He said O'Hara has a home in Michigan, pays taxes in the state, has a Michigan drivers license and votes in Michigan.

Firm Clarifies Abortion Stand

DETROIT (AP) — Michigan Blue Cross and Blue Shield said Wednesday they will pay standard hospital and doctors' fees for Michigan women who undergo abortions, provided such operations are deemed medically necessary.

The two medical groups said they received "several hundred phone calls Wednesday" after published reports that they would not pay the abortion fees.

Michigan Blue Cross and Blue Shield said in a joint statement:

"Some confusion exists about whether Michigan Blue Cross and Blue Shield pay for abortions. As simply as possible. . . .

1. Michigan Blue Cross members entitled to maternity benefits are covered for abortions performed in any hospital.

2. Michigan Blue Shield provides benefits for therapeutic abortions provided for members in Michigan. It also is the policy of Michigan Blue Shield to provide benefits for its members for voluntary abortions performed in other states in which such services may be rendered which are deemed medically necessary by the physician and rendered within accepted standards or medical practices."

A spokesman for the two groups said Michigan Blue Cross and Blue Shield paid for 55 such abortions last year.

He said that under the current rules of the two groups, a Michigan resident could have the medical and hospital fees paid in accordance with the individual's contract terms, regardless of whether the abortion was performed in New York, Michigan, England or elsewhere.

GLADSTONE

American Legion To Treat Kids On 4th

The August Mattson American Legion Post No. 71 will hold its anual ice cream social and watermelon feed for all the youngsters on the 4th of July.

The ice cream party will begin at 10 a. m. Saturday with the watermelon feed scheduled for 2 p. m. Joe McGonagle is the committee chairman with assistance from Harlon Breitzman, Lloyd Russell, Art Godfrey, Fern Dahlgren, Bob Miller and Kay Carlson.

The day's activities will be top off with the annual fireworks display, which is presented by the City of Gladstone at the Yacht Harbor site Saturday evening.

The American Legion post has also announced that its next meeting will be held on Monday July 6 at 7:30 p. m. Carl Westerback will be acting Post Commander for the next month, due to the absence of the commander Bob Miller and Vice-commander Lloyd Lessard, who will be attending the annual National Guard Summer Camp.

Personals

Mrs. John Strand, 622 N. 7th St., has returned home after spending the past seven weeks visiting with relatives and friends in Royal Oak, Boston, Hamilton and Toronto, Ont. While away she attended the graduation of her granddaughter, Jan Titsworth, from the University of Connecticut in Hartford.

The 2,600-mile long Mekong river in Southeast Asia irrigates the largest rice-growing area in the world and has been Indochina's major highway in peace and war. Rising in the 16,000-foot-high Tibetan Plateau in China's Tsinghai Province, the Mekong runs 1,100 miles through Tibet and China. For the remaining 1,500 miles, in the rich Lower Mekong Basin, it flows through Laos, Cambodia and South Vietnam before emptying into the South China Sea.

Women's Activities

Mrs. Randall J. Stine (Lee's Studio)

Kristine E. Kallio, Randall J. Stine Wed

Kristine Emily Kallio and Randall Joseph Stine, Trenary, exchanged wedding vows Saturday, June 6 at the First Lutheran Church in Trenary. The reception was held at the Lion's Hall in Kiva.

Officiating at the 4 p. m. nuptials was the Rev. Peter Laaninen. Parents of the bride and bridegroom are Mr. and Mrs. Floyd Kallio, and Mr. and Mrs. Wesley Stine, Trenary.

Bridal Aides

Maid of honor for her sister was Sally Kallio, Trenary, and the bridesmaid was Paula Kallio, also sister to the bride.

They were attired in floor length full skirted gowns of maize dacron organza fashioned with lace trim on the neckline and long full sleeves.

Their headpieces were maize organza bows with shoulder length maline veils. They carried bouquets of yellow roses.

Serving as best man was Wayne Stine, brother of the bridegroom, and groomsman was Terry Kallio, Trenary, brother of the bride. Performing ushering duties were Wesley Wilbe, Gladstone and Charles Atherton, Trenary, brothers-in-law of the bridegroom.

Sabrina Neckline

The bride, given in marriage by her father, wore a white floor length silhouette gown styled with a sabrina neckline with chantilly lace trim and juliette style sleeves. To complete her attire she wore a silhouette cathedral mantilla veil completely edged with Chantilly lace.

Mother's Attire

For her daughter's wedding, Mrs. Kallio wore a mint green dress and coat trimmed in pearls and black accessories and Mrs. Stine chose a light blue one piece dress with navy accessories. Both mothers were presented corsages to complement their attire.

Yellow Ensemble

For going away the bride chose a yellow three piece suit. After a honeymoon trip to Mackinac Island and Sault Ste. Marie, the couple will make their home in Trenary.

Annual Rebekah District Meet Is Held Here

"The Candle of Service," was the theme of the Rebekah District Association convention held recently in Escanaba.

Mrs. Lillian Hanson of Ludington, assembly vice-president, conducted the school of instruction. Escanaba Phoebe Rebekah Lodge, 179 officers chaired the morning session with Isabel Anderson, noble grand, in charge.

The introduction of assembly officers and guests was conducted by Dr. Martha Pezo, assembly warden from Millington, Mrs. Evelyn Knight, assembly page and Mrs. Lillian Hanson, assembly vice-president.

Six past presidents of district 39 answered the roll call and gave the year they served. They are: Doris Pakarinen and Anna Peterson of Escanaba, Winifred Barnard and Bernice Olson of Iron Mountain, Dahla Worth of Menominee and Rosemarie Anderson of Escanaba.

Laura Nichols was the toastmistress for the 12 noon dinner held at the Central United Methodist Church and pianist was Harriet Carlson. The afternoon session opened with a solo by Donna Peterson.

Participating in memorial services were Mrs. Olson, Mrs. Lottie Woods, Mrs. Ivadell Vincent, Mrs. LaVerne Rousseau, Mrs. Marion Weiser, Mrs. Barnard and Mrs. Beatrice Gray.

During the afternoon a skit, "The Tree of Happiness," was presented by the Rebekah Lodge of Escanaba. The Iron Mountain Lodge extended an invitation to host the 1971 convention.

Auditing committee appointees included Mrs. Isabel Anderson of Escanaba; courtesy committee, Mrs. Harriet Carlson, Escanaba and officers, Mrs. Carlson, vice-president.

Miss Zimmerman Will Be Bride

Mr. and Mrs. John Zimmerman, Jr. of 616 Montana Ave., Gladstone announce the engagement of their daughter, Marcia, to Rudy Peterson, son of Mr. and Mrs. Rudolph Peterson, Sr., 426 S. 12th St.

The bride-elect attended Bay de Noc College for one year. Her fiance attended Bay de Noc Community College for two years and will enroll at Northern Michigan University this fall. He is presently employed at Home Supply Co. of Escanaba.

The wedding will take place on Sept. 12.

Washington Trip

Nora Michel, daughter of Mr. and Mrs. Roy Michel was among the 31 members of Michigan 4-H clubs who attended the citizenship short course at the University of Maryland last month. Other places of interest she visited were, the Lincoln Memorial, Mount Vernon, Washington Monument, the Capitol building, Arlington National Cemetery and the Smithsonian Institution.

Mrs. Jimmie A. Lynch (Lee's Studio)

Carlyn B. Kirschner, Bride Of J. A. Lynch

Caryln Barbara Kirschner of Powers became the bride of Jimmie A. Lynch of Carney during a ceremony performed at 5 p. m. Saturday, June 13 at Holy Cross Lutheran Church in Daggett.

Officiating at the double ring nuptials was the Rev. Philip Kuckhahn. Organist for the service was Mrs. Harland Hanson of Powers. The bride is the daughter of Mr. and Mrs. Joseph Kirschner of Powers and parents of the bridegroom are Mr. and Mrs. Peter Lynch of Carney.

Honor Attendants

Honor attendants for the couple were Mrs. Peter Lynch, Jr. of Gwinn, sister of the bride and Peter Lynch, Jr., the bridegroom's brother.

The bride, given in marriage by her father, wore a street length A-line gown of peau de soie with an overlay of nylon organza lace styled with a high neckline and juliet sleeves.

Single White Rose

A forward bow headpiece of peau de soie and lace secured her triple tiered elbow length veil of silk illusion and she carried a single long stemmed white rose with two pink rosebuds.

The matron of honor was attired in a pink A-line linen gown fashioned with a rolled collar and chiffon candlebra sleeves trimmed with organza ruffles. A lace trimmed panel train formed the back detail. A matching bow headpiece and veil completed her attire and she carried a single long stemmed red rose.

Mother's Attire

The bride's mother wore a coral dress and coat ensemble with white accessories and Mrs. Lynch chose a light orchid A-line dress with bone colored accessories. Both mothers were presented cymbidium orchid corsages.

The reception was held at the home of the bride's parents. The couple will make their home in Mount Pleasant.

The bride is a graduate of Powers-Spalding High School and is employed by General Telephone Co. Mr. Lynch is a Carney High School graduate and he is a junior at Central Michigan University, Mt. Pleasant.

Out of town guests attended from Menominee, Gwinn, Milwaukee and Chicago.

Bridge Results At Highland

Regular golf league and bridge was held Wednesday afternoon at the Highland Golf Club.

Bridge winners were Bernice Flath, Ceil Harris and Alice Cota. Florence Delforge received the guest prize.

Mrs. John Boyle was in charge of arrangements of the day and she was assisted by the Mesdames, Emil Gafner, Harold Meiers, Sr., Harold Cass, Ben Douglas, Nicholas Chapekis, David Wolfgram and John Kallman, Jr.

HN Class Of 1960 Reunion Set This Weekend

Holy Name High School Class of 1960 will hold their 10-year class reunion this weekend, beginning with an informal get-together Friday evening at the Teamster's Hall beginning at 8.

Saturday Mass will be offered at St. Joseph's Church at 6 p. m. and the Rev. T. Donnelly will officiate. A cocktail hour, dinner and dancing will be held following the Mass at the Teamster's Hall. Music will be furnished by the Rhythm Rockers.

Guests and speakers will be Rev. Donnelly, Sister Cecile and Brother Anthenius. Master of ceremonies will be Dick Lauzon.

Sunday a family picnic will be held at Pioneer Trail Park at 12 noon. All class members and their families are welcome to attend.

People

Mrs. Elmer Stacey, 1013 4th Ave. S. has returned home after a three-week visit with the John A. Treanor family in Edina, Minn. Mrs. Treanor is the former Mildred Stacey.

Accompanying Mrs. Stacey on her return trip was her granddaughter, Miss Patricia Treanor.

Mrs. Rosemary Hunt and sons Robert and Jeffrey of Milwaukee are visiting at the home of her mother, Mae M. Brazeau and her grandmother, Mrs. Elmer Stacey, 1013 4th Ave. S.

Births

DUCHAINE—A son, Daniel Neal, weighing 8 pounds, 5 ounces, was born to Mr. and Mrs. Kenneth Duchaine on June 20 at St. Michael's Hospital in Milwaukee. The mother is the former Judith Barnhart.

Mr. and Mrs. P. Henry Johnson (Lee's Studio)

Henry Johnsons Mark Their Golden Wedding

Mr. and Mrs. Henry P. Johnson, 1211 Ludington St., celebrated their golden wedding anniversary Saturday, June 21.

Reception

A reception featuring a buffet dinner, was held from 4 to 6 p.m. at the Moose Lodge in Kenosha, Wis., followed by a dance from 8 p.m. to midnight. Over 200 guests from six states attended the festivities.

1920-1970

Henry P. Johnson, a Green Bay native, and the former Mildred Pariseau were married June 22, 1920, at St. Patrick's Church with the late Rev. Francis X. Barth officiating. Attending the couple were Roy Pariseau, brother of the bride and Marie Berens.

Resided In Kenosha

The Johnsons resided in Kenosha, Wis., for 43 years and Mr. Johnson was employed for Anaconda, American Brass. They returned to Escanaba following his retirement five years ago. Mrs. Johnson was born and raised in Escanaba.

One Daughter

They are the parents of one daughter, Mrs. Walter Helgesen of El Paso, Texas and several grandchildren. Mrs. Helgesen made arrangements for and attended the festivities in Kenosha.

Perkins

Mr. and Mrs. Levi LaVergne of Plymouth, Mich. are spending a few months at their summer home.

E. A. Jenkenson of Vienna, Va., on his return trip to Canada, visited Mr. and Mrs. H. C. Gibbs.

Mr. and Mrs. Emil Casimir visited Sunday with friends in Iron River.

Mrs. H. C. Gibbs attended the funeral services for her cousin, Mrs. Gene Baxter at Iron Mountain recently.

Mrs. Herman Vietzke of Milwauke visited over the weekend with Mr. and Mrs. George Carroll and other relatives.

A family style dinner will be served July 19 from 11:30 to 5 p. m. at St. Joseph's Church. All activities will be held at the Perkins Legion Hall grounds. Games will be played and refreshments served.

Warm Weather Producing Odd Figures In Escanaba

By MIKE UTT

Although the temperature in Escanaba today is not quite as hot as it has been during the first three days of the week, the heat has produced some rather interesting statistics in the city.

Francis D'Amour, water superintendent, reported that during the month of June, the City of Escanaba used 78 million gallons of water, a 20 million gallon increase over June of last year. D'Amour also said that the kilowatt hours needed to pump this amount of water increased from 47,000 last year to 72,000 this year during the month.

On June 28, 2,055,000 gallons of water were pumped, it increased to 3,415,000 on June 29 and went even higher on June 30 by hitting a 3,475,000 gallon figure. It is expected that these figures will go even higher if the current heat wave continues.

Forest Fire Danger

Edward Vetort, the new fire supervisor for the Department of Natural Resources, issued a warning today concerning the danger of forest fires. Vetort said that the possibility of a forest fire is "extremely high" and that the fire control people are on duty at all times.

"The forest is tinder dry, to the lack of precipitation," said Vetort. "Right now it is in the explosive stage."

He added that burning permits are being restricted to after 5 p. m. burnings only and that they be discontinued altogether until it rains. The public is asked to be very careful and use extreme caution in the woods and report all fires immediately to the Department of Natural Resources.

Prized Possessions

Air conditioners and fans are seemingly the most prized possessions in the city now and salesmen from Montgomery Ward's, Gambles and Royal Appliance report that they are almost completely sold out of both items.

In fact, Montgomery Ward's sold all of their air conditioning units on Monday and tried to get some from their store in Kenosha, Wis. It seems Kenosha got its heat wave one day later than Escanaba did and sold $12,000 worth of air conditioning units on Tuesday.

Beverages also seem to be an important item during hot weather and Ammel Distributing Co., the Johnson Distributing Co. and the Coca-Cola Botling Co. all report that sales are up this week.

The people at Ammel's described sales as "fantastic" and said that they were up one-third. Johnson Distributing Co. claimed that its sales were up in both keg and case beer and the Coca-Cola Bottling Co. reports that sales are up 10 per cent over the same period a year ago.

1,000 Cones

The proprietors of the Dairy Snack said that since Monday, they have sold 1,000 cones, collected 1,000 dimes and put 1,000 curls on the tops of the cones. They have doubled their use of milk and have had lines at the window up to half of a block long quite frequently.

Ernie's Party Store reports that they are selling lots of pop, beer and popsicles and a "lot more gin than usual."

Two of the grocery stores, the Sav-Mor IGA and Elmer's Super Valu, report that the sales of watermelon, picnic supplies, pop and beer are all up.

Elmer Dagenais said that they are unable to keep the Kool-Aid rack filled and that he has brought 1,000 watermelons into the store since Monday. He added that most of these watermelons have already gone out the door with people.

Cas Milkiewicz at the Sav-Mor says that he is selling more ice than usual and that the pop and beer have been hit heavy.

It appears that there is some relief in sight though, as the weather forecast for today and tomorrow calls for cooler temperatures and the chance of rain. The high today was expected to be in the mid-80's and the low for tonight was predicted to be in the 50's. The high for Friday was predicted in the mid-70's.

Mackinac Island Hotel To Open

MACKINAC ISLAND (AP) — The historic 118-year-old Island House Hotel on Mackinac Island, closed by court order last week, will reopen in 1971.

The 120-room hotel, built in 1852, was ordered shut down by Circuit Judge Edward N. Fenlon after a state fire marshal said it lacked adequate fire protection. The fire marshal noted an inadequate sprinkler system, a lack of proper fire escapes and a need for structural repairs among the fire violations.

Now Island House Inc., the firm which operates the hotel under a lease, has proposed a plan to make the repairs and the Mackinac Island State Park Commission, which owns the building, has approved it.

Repairs will begin immediately and the hotel should be reopened sometime next year.

"Although we feel that the loss of one hotel would not be disastrous to our tourist business (there are nine other hotels on the island) we would rather not lessen our ability to serve vacationers," said Wilfird F. Doyle, commission chairman.

"Under no circumstances would we reopen a hotel that was not safe," Doyle said.

Anti-Parochiaid Petitions Head For Court Test

(Continued From Page One)

ust started checking the signatures and now are barely past he 50,000 mark. The final count s not expected to be available until late July.

The counting at elections division headquarters is slated to e completed by July 10. Several weeks then will be required o check back to local units of overnment to find out if petition signers are valid registered oters.

Mercury Danger Warning Issued In Wisconsin

MADISON, Wis. (AP)— State officials recommended Wednesday that consumption of Wisconsin River fish be limited as a health precaution because of what they described as new evidence of mercury pollution.

Affected by the warning was the entire 350-mile stretch of the river from Rhinelander in Northern Wisconsin to Prairie du Chien in the southwestern corner of the state.

Les Voigt, secretary of the State Department of Natural Resources (DNR) told a news conference that fishermen should restrict themselves to one meal of Wisconsin River fish per week.

Recent tests conducted with new equipment, Voigt said, turned up mercury levels in fish ranging from .1 of one part per million to three parts per million and were "sufficiently high to constitute a potential public health hazard if eaten regularly."

Voigt stressed the river was still "perfectly safe for swimming, water skiing and other water sports."

The test results were announced about two months after the state ordered a 35-mile stretch of the river closed to fishing because of high mercury content in fish south of the Wyandotte Chemical Corporation's plant at Port Edwards.

The ban was later lifted by Gov. Warren P. Knowles but he urged anglers at that time to fish primarily for fun and not for food.

Fish in that area had contained mercury in excess of the .5 part per million limit established by the Food and Drug Administration, the state said.

Oliver Williams, acting assistant administrator of the DNR's Division of Environmental Protection, said testing of the Wisconsin River, Mississippi River, Fox River, Lake Michigan and other waters had been going on for weeks.

Williams said the Wyandotte Corporation had reduced its mercury discharge into the river by "about 100 per cent" since the state cracked down in May.

Car Hits Train, 4 Persons Die

HAMBURG (AP) — The wife and three children of the personnel director of St. Joseph Hospital in Ann Arbor were killed in a car-train crash near this southeastern Livingston County community Wednesday.

Killed were Lynne Schill, 36, and the children, Lee Ann, 12; Timothy, 5, and Andrew, 6. The husband and father is hospital personnel director Thomas E. Schill.

State Police said the mishap occurred shortly after 11 a.m. at the Grand Trunk Western Railroad crossing on Merrill Road, just south of M 36 in Hamburg Township.

There are no barriers or flashers at the crossing but one witness said visibility in the area is normally unimpaired.

The left front of the car struck the right front of the freight, police said. The train carried the station wagon about 85 feet down the right-of-way before the car rolled off into a swamp, police said.

Railroad engineer Fred Alexander, who was driving the four-car freight from Detroit to Jackson, said the train was traveling about 40 miles an hour. He said he saw the Schill car approach the crossing but thought it was going to stop.

"They didn't so I hit the brakes," Alexander said.

Mrs. Schill, Lee Ann and Timothy were thrown out of the car, police said. Andrew, trapped inside the car, was rescued by police but apparently died en route to an Ann Arbor hospital.

The mother and children had been vacationing at a lake about a mile from the crossing and were returning to the cottage after taking some rubbish to a dump, police said.

Farmers To Get Checks Earlier

Farmers taking part in the 1970 Wheat and Feed Grain programs are receiving their program payments earlier this year, according to Vincent Rappette, chairman of County Agricultural Stabilization and Conservation Committee.

The first batch of payments were made July 1. Additional payments will continue to be made as rapidly as farmers certify compliance with program requirements and as fast as individual farm records can be processed and checks returned to ASCS County offices for distribution to farmers.

Because of the cooperation between farmers and their local ASCS Office, 92 per cent of the participating producers in Delta Vounty received their payments on or about July 1.

Defends Move Into Cambodia As Necessary

(Continued From Page One)

Communists—"a hypothesis I do not accept"—he said:

"The answer is that we continue in our course in South Vietnam to defeat the enemy there, and the South Vietnamese, who are now a very formidable fighting force, wil certainly see to it that the sanctuary areas are not again occupied."

Nixon said despite the Senate's vote to repeal the 1964 Tonkin Gulf resolution—the authority cited by President Johnson in sending troops to Vietnam—"I believe we have legal justification and I intend to use it" in carrying out Vietnam policy.

"The legal justification. . .is the right of the President of the United States under the Constitution to protect the lives of American men," he said.

Hits Amendment

He struck at the no-more-Cambodias amendment sponsored by Sen. Frank Church, D-Idaho, and John Sherman Cooper, R-Ky., which the Senate passed 58-37 Tuesday after long debate.

"Fortunately, our founding fathers had great wisdom when they set up two houses of Congress," he said. He predicted the House would not go along with the Senate action and a version more acceptable to him would be worked out in Senate-House conference.

He said Cooper and Church "are good men dedicated to peace. So am I." He added:

"There is one difference between us. I have the responsibility for 430,000 men. They don't. . .I believe that the joint acion of the House and Senate will be more responsible, I will say respectfully, than the action of the Senate was.

"I don't consider it a rebuke and I am not angry at the Senate. They have the last word sometimes, or many words."

Consulted On Action

Nixon said he had in fact consulted with many people including Senate and House members before ordering the Cambodian action. Lack of congressional sanction for presidential use of U.S. troops overseas was a prime complaint of Cooper-Church supporters.

Nixon argued that in modern times a President may not be able to wait for a formal congressional okay. If Congress had taken seven weeks to approve the Cambodian operation —"it took them seven weeks for Cooper-Church"—he said the enemy would have pulled its ammunition out of the sanctuaries and perhaps installed defenses costing 3,000-4,000 American lives instead of the 330 that were lost.

Demands TV Time

A prompt rejoinder came from Sen. George S. McGovern, D-S.D., a candidate for the 1968 Democratic presidential nomination and a prominent critic of Nixon's Southeast Asian policy.

McGovern demanded the three television-radio networks give him and Sen. Mark O. Hatfield, R-Ore., equal time to answer the President's criticism of their amendment to bar all funds for any U.S. forces in Vietnam, Laos and Cambodia after next June 30.

"The President is chasing the same illusions that have bedeviled us in Southeast Asia for 10 years, illusions that have killed 50,000 young Americans and which, if continued, will kill thousands more," McGovern said. The McGovern-Hatfield amendment is due for Senate action later this summer.

THE CANCER CRUSADE in Delta County received $300 and a boost from the Pulp & Sulphite Union Local 110, whose members are employes of the Escanaba Paper Co., division of Mead Corp. Pictured are (left) David Mason, Crusade chairman, receiving the contribution from Arne Anderson, treasurer of Local 110 charity fund. (Daily Press Photo)

Militants Parade Through Belfast Without Trouble

BELFAST, Northern Ireland (AP) — About 10,000 militant Protestants paraded without incident through Belfast Wednesday night, but another march 40 miles away touched off minor battling between Protestants and Catholics.

A British army spokesman implied that the disorders in the town of Coalisland were instigated by members of the outlawed Irish Republican Army.

"Known IRA men were seen in the crowd," the spokesman said. "It proves who is behind the riots."

The rival religious factions hurled rocks, bottles and other missiles at each other and at British troops and local police firing tear gas. Four policemen, a soldier and several civilians were injured, and 10 persons were arrested.

The IRA, an extremist group that vows to reunify Ireland by force if necessary, is outlawed in both British-ruled Northern Ireland and in the Irish Republic to the south.

In Belfast, 10,000 members of the Protestant Orange Order held four marches peacefully under the watchful eyes of 700 British troops. It was a dress rehearsal for the annual parade July 13 to celebrate the 17th century Protestant defeat of Catholic troops at the Battle of the Boyne. The big parade last year touched off Catholic-Protestant warfare that raged for weeks.

Belfast, Londonderry and other towns in Northern Ireland have been the scene of disorders since Friday, when Catholic leader Bernadette Devlin was jailed for six months for her part in the riots last summer.

British Home Secretary Reginald Maudling returned to London after a two-day visit to Northern Ireland and was expected to report to Prime Minister Edward Heath that London can do little more to cool tempers in the province.

Maudling told newsmen in Belfast the situation was a "mixture of danger and hope." Britain has 11,000 soldiers in the province, and the cabinet minister said the army "will stay here as long as it is needed to secure peace and freedom for every individual to live his life without fear."

Israeli Planes Attack Missiles

TEL AVIV (AP) — Israeli planes attacked SAM2 antiaircraft missile batteries at the southern end of the Suez Canal today and other targets along the waterway, the Israeli military command announced.

A spokesman said the planes also raided "war targets" along the northern coasts of the Gulf of Suez.

All planes returned safely, he reported, but he gave no indication of what hits they scored.

One of the chief purposes of the daily Israeli raids across the canal has been to knock out the SAM2 launching sites which the Russians have been establishing along the canal for the Egyptians. The Israeli command admitted earlier this week that SAM2s brought down two Israeli planes on Tuesday.

On Israel's eastern frontier, Arab gunners in Jordan fired rockets at two settlements in the Jordan Valley but caused no casualties, the command in Tel Aviv said. A spokesman said the fire was returned.

Arm In Chute, Woman Wounds Keyless Hubby

DETROIT (AP) — Geraldine McDonald, 20, saw an arm reaching through the milk chute toward the inside lock on the kitchen door early today.

She grabbed a .38-caliber revolver and fired six times before realizing she was shooting at her husband, a Detroit policeman.

Patrolman Oran McDonald, 23, was hospitalized with a gunshot wound of his left hand. He said he found the door locked when he returned home from work at 1:45 a.m. and when he knocked on the door and got no answer, he tried the milk chute.

5

Escanaba Girls Get NMU Awards

MARQUETTE — Two Escanaba girls, Judith Zimmerman, 829 S. 19th St., and Susan Plowman, 901 S. 18th St. have been awarded Northern Michigan University scholarships in the amount of $400 for the 1970-71 academic year.

The scholarships, which are awarded to superior community college students planning to attend NMU, will be made available in two equal amounts at the beginning of the Fall and Spring semesters.

Brazil Police Foil Hijackers

RIO DE JANEIRO (AP) — Brazilian police foiled a hijack attempt with tear gas, fire foam and bullets Wednesday and took the four hijackers off. The government said one was wounded seriously, and the pilot was reported shot in the legs.

Meanwhile a U.S. airliner, a National Airlines DC8 with 39 persons aboard, was hijacked to Cuba while en route from San Francisco to Miami. It spent almost 10 hours in Havana, then was allowed to complete its flight.

The Brazilian jet, a Cruzeiro do Sul Caravelle with 34 passengers and seven crewmen aboard, was taken over by three men and a woman shortly after it took off from Rio de Janeiro for Buenos Aires.

Brazilian authorities said the pilot convinced the hijackers he would have to return to Rio for fuel before starting the long flight to Cuba. But Canadian diplomatic courier Leigh N. Shankland, one of the passengers, said the hijackers told him they wanted to return to Rio and exchange the passengers for 44 political prisoners.

When the plane landed back in Rio, police flattened its tires with machine-gun fire, surrounded it and warned the hijackers they would rush the plane unless the passengers were freed.

"We will kill the passengers one by one," the hijackers radioed back. But the police stormed the plane behind a cloud of tear gas, a hail of bullets, and billows of firefighting foam. Several passengers, including Shankland, jumped out an emergency exit during the melee.

U.P. Man Dies

MUNISING (AP)—Gus Berg, 79, of Munising, was killed Wednesday in a two-car accident at Munising.

Census Chief Is Unimpressed By Cities' Losses

Hobert A. Yerkey, Detroit, regional director for the Bureau of the Census, is inclined toward sketpticism about the claims of Michigan cities that they were short-changed in the 1979 census.

Of Escanaba's complaint that it believes it grew rather than declined in population within the past 10 years, Yerkey wrote the city that "a check of our calculations did not reveal any errors".

"We are confident we obtained an accurate census in Escanaba," Yerkey advised the city administration.

Based On Estimates

Escanaba's population declined 210 and Gladstone 35. Both cities are conducting programs to have those who believe they were missed to get back on the census rolls. Escanaba has been notified of 50 in this category and Gladstone of 30.

If they and other persons are found not to have their names on the census records they "will be added to our official count," Yerkey advised.

Downstate the city of Royal Oak, contending that the census has short-changed it by 10,000 citizens, got little smypathy from Yerkey.

"This is nothing new," Yerkey said. "We've already had complaints from Pontiac, Oak Park and Warren this year. Do you mean to tell me that we've made mistakes in all of these cities?

"I'm afraid the Royal Oak claims are based on planning estimates," he said, "and it's been my experience that planning estimates always seem to run high."

Asks For Proof

Yerkey blamed the discrepency in dwelling units on differing definitions (nursing homes, for example, are 2,103 dwelling units, the city later hand-counted 3,084 units.

A study by the Southeastern Michigan Council of Governments (SEMCOG), estimates that 97,000 people now live in Royal Oak.

While agreeing to re-check the count in the disputed district, Yerkey remained unimpressed with the Royal Oak claims.

"These are severe allegations," he said during the meeting, "and they call into question the job being done by the census. I'm going to have to see substantial proof before I'll question the count in Royal Oak.

Orioles Top Tribe For 8th Straight Time

By The Associated Press

Jim Palmer hurled an eight-hitter as the Baltimore Orioles beat the Cleveland Indians for the eight straight time this season.

The Birds scored single runs in the second, third and fourth off rookie Rick Austin, Brooks Robinson launched two of the rallies with fluke doubles and Boog Powell doubled to start the other one.

Elsewhere in the American League, Minnesota edged Kansas City 2-1 in 10 innings, California shaded Milwaukee 4-3, Oakland zipped the Chicago White Sox 3-0 and Boston beat Washington 6-4.

A bases-loaded sacrifice fly by Rich Reese in the 10th inning gave Minnesota's its winning run against Kansas City. Rick Renick homered for the Twins' other tally.

Jim Fregosi's two-run homer highlighted a three-run rally in the sixth inning that powered the Angels past the Brewers. Bob Burda hit his first AL homer for the losers.

Rollie Fingers, Paul Lindbald and Mudcat Grant combined on a four-hitter as the A's turned back the White Sox on Sal Bando's RBI single in the sixth inning and a two-run homer by Bert Campaneris in the ninth.

Two-run homers by Carl Yastrzemski and George Scott broke open a tie game in the seventh inning and the Red Sox survived a counter rally to edge the Senators 6-5.

Stock Market Gains Modest

NEW YORK (AP) — Stock market prices made modest gains today in moderate trading.

At noon, the Dow Jones average of 30 industrials was ahead 3.63 at 691.27.

Advances outnumbered declines by about 200 among the issues traded on the New York Stock Exchange.

Brokers said investors appeared to be encouraged by the economic and international news background.

Analysts viewed President Nixon's appointment of a high-ranking diplomat to head the U.S. delegation at the Paris peace talks as a plus for the market.

They also cited Federal Reserve Chairman Arthur F. Burns' statement in Tokyo today that he believed there would be a resumption of the U.S. economic growth in the near future as well as a gradual lessening in the rate of price rises.

On the American Stock Exchange, prices were up slightly in quiet trading.

The Associated Press 60-stock average was up 1.2 at 227.7 at noon, with industrials ahead 1.7, rails up .8, and utilities up .4.

Denny McLain

Commissioner Kuhn Wishes Denny Good Luck

Capacity Crowd Cheers McLain's Return

DETROIT (AP) — Denny McLain is not an emotional guy, but when he stepped onto the field at Tiger Stadium and back into baseball Wednesday night "I really thought I was going to cry for a minute," he said.

It was a moment of instant history.

The game wasn't a pennant clincher, or a World Series finale. Technically it was "just another game,"—in that instance won by the Detroit Tigers 6-5 in 11 innings.

But it was more.

Black Mark

It was the game in which Dennis Dale McLain, Tiger bad boy superpitcher, set out to prove he was still one of the best pitchers in baseball despite the black mark of a 90-day suspension imposed by Commissioner Bowie Kuhn.

Wednesday was McLain's first day off that punishment and he tried to make the best of it, although his only "spring training" was three months of pitching to college and high school batters.

More than 53,800 spectators jammed the stadium and their reaction to Denny's first appearance was a thunderous ovation, drowning out some boos.

"You ready to go, kid?" asked bullpen coach Len Okrie of McLain in the dugout moments before the start of the game.

"Yep," Denny gulped, as he ran out to throw his warmup pitches to Okrie as the crowd roared and the dozens of television cameras whirred and still cameras clicked.

He took the mound and the pressure was on as he faced first Yankee batter, Horace Clarke.

"Ball one," —plate— umpire Nestor Chylak shouted after the first pitch.

"Ball two."

The third pitch was a strike. McLain went on to get New York out 1-2-3 and the ice was broken.

McLain Scared

"I was scared as hell, to be truthful," he said afterwards at a press conference. "As a matter of fact, before I threw the first pitch I asked Al Kaline 'What the hell am I doing here?' "

The cheering fans seemed to know, and kept their feelings known even after McLain was lifted for a relief pitcher in the sixth inning trailing 5-3.

"I really thought I was going to cry for a minute or swallow my tongue," he said, referring to the initial crowd response.

"I thought it was great. I was overwhelmed. . . I'm not an emotional guy but when I went out there I could hardly talk."

McLain eventually became the victim of Yankee home runs, one by Jerry Kenney in the third, Thurman Munson in the fourth and Bobby Murcer in the sixth. The Yankees got another run in the sixth sending Denny to an early shower.

Timmerman Wins

After his departure, Yankee hitters got only one hit off three Tiger relief pitchers in 5 2-3 innings. Tom Timmerman took the win in relief, the 10th win or save for him in a row since he was called up from Detroit's Toledo farm club in early May.

"I feel pretty good but I'm not satisfied because I didn't go nine innings," said McLain, dressed in a blue sport shirt, blue pants an white shoes.

He stood on top of a large trunk in an auxiliary dressing room as he fielded questions from many of the 71 reporters who attended the game.

"I'm not thinking like a pitcher yet, I made a couple mistakes," he said referring to the gopher balls.

"It'll be another couple starts before I'm back to normal."

"We hit McLain pretty hard but he settled down and was better in the final innings of his stay," said New York Manager Ralph Houk.

He was somewhat irritated and when newsmen pressed him for evaluation of McLain. He replied, "Go ask Mayo Smith (Tiger manager). McLain is his boy."

"The big thing is that his arm responded well," said Smith, who appread more relieved than McLain that the much - publicized return was ended.

"We'll decide later if he pitches Sunday in Baltimore or whether he opens the Boston series here Monday night."

McLain was somewhat hard to locate the last couple of days. Few persons knew his whereabouts Tuesday, but he said that Tuesday night he went by commercial flight with his family to Toledo, Ohio. He said he spent the night there with friends and drove to Detroit Wednesday morning with his brother Tim.

Good Luck Wish

He said that on his arrival he learned commissioner Kuhn had left a phone call for him. McLain returned it.

"He just wished me good luck," said McLain, shaking his head negatively to a question of whether Kuhn warned him of his future conduct.

McLain, who won 55 games the last two years and received the American League's Cy Young Award both times, threw 96 pitches in his 5 2-3 innings—57 strikes and 39 balls.

"Normally I throw that many pitches the whole game, so it was almost like pitching a complete game," he smiled.

McAuliffe Hot

Dick McAuliffe had four hits and scored two Tiger runs to keep Detroit in the thick of the tussle with the home run happy Yankees. Detroit made it a 5-5 ballgame in the bottom of the seventh by pushing across two runs.

That ended the scoring until the bottom of the 11th when Don Wert reached first base on a fluke play, striking out but scampering to first as catcher Munson dropped the ball for a passed ball.

Ken Szotkiewicz hit a slow grounder to second baseman Horace Clarke, who bobbled it for his third error.

Pinch hitter Ike Brown moved them along with a sacrifice and McAuliffe grounded out. With two out and two on, Mickey Stanley slammed one of relief pitcher Steve Hamilton's offerings for a single and the ballgame.

The Tigers remain in third place in the East Division, seven games behind Baltimore. But they now trail New York by just three games.

Both teams were scheduled to meet again tonight, with Joe Niekro, 8-6, expected to pitch for Detroit against Mel Stottlemyre, 8-6.

Lions Capture Little League Title

The Lions Little Leaguers captured their first league championship since the "Huck" Andrews-Bob Rosemurgy era of 1955, last night behind the strong three hit pitching of Kevin Cutler when they beat VFW 8 to 3. Although the Vets had several scoring opportunities in the early innings, it wasn't until the Lions had built up an 8 to 0 lead in the top of the sixth that VFW broke into the scoring column with a three run outburst.

Meanwhile the Lions had two big innings in which they picked up four unearned runs in the third and four insurance runs in the fifth with Paul Schrader coming through with the key blow. Cutler led the Lions attack and aided his own cause with three hits in three trips.

The victory was particularly sweet for Manager Jim Schultz, former Big Ten shortstop from Wisconsin. After finishing second the past two seasons, his third entry was a winner despite the fact that the Lions graduated seven twelve year olds last year. Tonight's game against Credit Union will be somewhat anti climax when they send Jimmy Wendelberger, 4 and 0 against Credit Union. VFW will be at Exchange in the nightcap.

Escanaba Cubs Top Powers 7-3

POWERS — The Escanaba Cubs posted their sixth straight victory in Waubung League action Wednesday night defeating Powers 7-3, with Tom Kangas notching his second straight mound victory.

The Cubs took an early 1-0 lead in the first inning when Dan Mylander singled and scored on a single by Brian Larson. Doubles by Kangas, Doug Howard and Den Mattonen put the Cubs out front 4-0 in the third, before Powers broke the ice by scoring one run, when Dick Smith, Lee Vincent and Tim McClure all singled.

The Cubs added two more runs in the fifth with single runs in the last two innings, while McClure rounded out the Powers scoring with a home run in the seventh inning.

Kangas, who pitched six innings, gave up eight hits, struck out six and walked three. John Fazer started on the mound for Powers and was tagged with the defeat.

Mylander, Kangas, Howard and Bob McGinn led the Cub attack with two hits apiece, while Vincent led Powers with three hits.

Burger Chef Tops Bay De Noc 27-9

Burger Chef, behind the home run power of Sally Dufour, Carol Fox, Judy Kallio, Marlene Mattson and Sue Derouin, who had one each blasted Bay de Noc 27-9 in Girl's Softball action last night.

Gina VanEnkevort snared the mound vicotry for Burger Chef, while Sheila DeGrand took the defeat for Bay de Noc.

In other league action, Lombardi's defeated UAW 632, 25-, with Landy Swetkis snaring the mound victory and Sharon Benoit taking the defeat.

Lombardi's Trip Lark's In Slow Pitch Tilt 16-9

Last Night's Results

Paper Mill vs. River Post
AMVETS vs. Heynessen-Selins

Lombardi's took an early 6-0 lead in the first inning Wednesday night and went on to snare their sixth victory, 16-9 over Larks in the only game played in the Escanaba Slow Pitch League.

John Ettenhofer paced the winners with two homers, one a grand-slammer while Bill DeHaan and Den Erickson chipped in with three hits apiece. Warren Keller led Larks with two hits, including a homer.

Joe Hiller picked up the mound victory while Bob Moran was saddled with the defeat.

Carolyn Nelson Paces Highland Women Golfers

Carolyn Nelson topped all golfers in the Highland Golf Club's Ladies Day on Wednesday, finishing her round with a 43.

Other low scorers were Elaine Nelson 45, Lucille Bowe 45, Elaine Fairchild 47, Dorothy Loodeen 49 and Lorraine Johnston 49.

Low net score winners were Carolyn Nelson 36, Lucille Bowe 31, Karen Olson 35, Lorraine Johnston 32, Belle LaCasse 30 and Eleanor Bast 31.

All women golfers who wish to attend the Iron River Invitational on July 8 are asked to call Elaine Fairchild before Saturday, July 4.

Softball Meeting

All local teams playing in the Escanaba Invitational Softball tournament this wekend are asked to be at the Memorial Field tonight at 6:30. Any team that doesn't show up for the meeting will be eliminated from the tournament as there are other teams waiting to enter. All officers and board of directors, as well as all umpires, are asked to be at the field tonight at 7:30.

Michigan Hotel Snares First League Victory 18-7

Last Night's Results
Michigan Hotel 18, Independents 7
Paper Mill 7, Goebel 2
Trenary 10, Gladstone 9

Michigan Hotel finally put everything together Wednesday night as they won their first game of the season 18-7 over the Escanaba Independents in the Senior Softball Circuit. In other league games Paper Mill stormed past Goebel 7-2 on a two hitter by Todd Butler while Trenary squeezed by Gladstone 10-9.

A seven run sixth inning was all that Michigan Hotel needed to win its first game of the year. Dan Gouin had the key hit in the inning when he hit a home run with the bases loaded.

Gouin paced the Hotelmen attack with four hits while John Picard chipped in with three hits and Rick Odgers had two hits, one a three-run homer.

Harold Porath snared the mound victory by tossing a four-hitter, while Dick Lewis was the starting and losing pitcher for the Independents with Art Van Damme working in relief.

The old master combination of John Martinac and Todd Butler along with the fine hitting of Mike Skorupski paced the Papermakers to their sixth victory in league action. Butler, in snaring the mound victory, fanned ten batters, with Martinac catching a good game for Butler, while Skorupski led the Paper Mill attack with three hits, including a two-run homer.

Butler and Goebel's Jim Almonroeder hooked up in a scoreless pitching duel for the first two innings before John Way broke the ice for Goebel with a two-run homer in the top of the third to put his team in the lead.

The Papermakers came right back in the last of the third to score their first runs off Almonroeder. Skorupski started the inning with a single and scored when Martinac followed with a single. Trailing 2-1 Mike LaFleur put the Paper Mill ahead to stay with a two-run homer. In the last of the fourth, the Papermakers picked up two more runs when Buck Dementer had his second hit of the night, a single, and scored on Skorupski's homerun.

The Paper Mill rounded out its scoring in the fifth inning when Martinac was safe on an error adn Butler followed with a towering homerun over the left field fence to climax their victory.

Low 30 Wins Best Ball Event

Carol Gregoire and Marilyn Knoll led the ladies in the special event at the Escanaba Country Club Wednesday with a low score of 30 in the best ball matches. Helen Moore and Carol Lepisto came in second in the best ball event with a 33.

Marie Wicklander and Milly Boyce led all scorers for the day with 47's, while Judde Snyder, Sally Fontaine and Gladys Hanson finished the afternoon with 48's. Rounding out the top scores were Rosemary LeMire, Marge LeMire, Betty Gautheir, Marilyn Knoll and Doris Kivela with 50's.

Ironwood Hosts Babe Ruth Series

Word was received today from Dante Pricco, District G Director of the Michigan Babe Ruth League, that the U. P. Babe Ruth tournament will be played at Ironwood on July 16-19. Dave Rasmussen of Ironwood was named tournament manager.

In addition to Ironwood, other cities expected to send teams to the district playoff include Escanaba, Iron Mountain, Bessemer, Ishpeming, Manistique, Kingsford and Houghton.

Wimbledon Tennis Reaches Semifinals

WIMBLEDON, England (AP) —Fans lined up all night for standing room on the center court for today's semifinals as Roger Taylor hoped to become the first Briton to reach the men's finals since Bunny Austin in 1938. But many fans — even British fans — would like to see Ken Rosewall win Wimbledon at last.

The 35-year-old Australian lost in the finals of 1954 and 1956. Then he turned professional and was lost to Wimbledon until open tennis was inaugurated two years ago.

Taylor has never yet beaten Rosewall, or even won a set against him.

The rugged British left-hander took 20 minutes Wednesday to finish off his quarter-finals match against Clark Graebner of New York City, which had been interrupted by rain the previous night.

Taylor won 6-3, 11-9, 12-10. The match was resumed with Taylor leading 8-7 in the third set.

Graebner, who had to serve first, fought off seven match points before going under. The American had saved two more match points the previous night.

Andres Gimeno, whose match against Bob Carmichael of Australia had also been interrupted by rain Tuesday night, won 6-1, 6-2 6-4.

As every expert had predicted, Mrs Billie Jean King of Long Beach, Calif., and Mrs. Margaret Court of Australia advanced to the women's finals, scheduled for Friday.

Mrs. King wore down stubborn resistance by the unorthodox French player Francoise Durr to win 6-3, 7-5.

Mrs. Court, playing with her injured left ankle heavily strapped, downed Rosemary Casals of San Francisco, 6-4, 6-1.

Mrs. Court's ankle is the big talking point. She had pain-killing injections before Wednesday's match and appeared as mobile as usual, but she said afterwards she couldn't feel anything in her leg from the knee downwards.

"It slowed me down," she said. "Perhaps it was a good thing, because I have been rushing my game too much lately."

They last met in a Wimbledon final in 1963, when Mrs. Court won. She won again in 1965, while Mrs. King was champion in 1966, 1967 and 1968.

Helm Hits 1st Homer In Reds' New Stadium

By The Associated Press

Years and years from now, when Tommy Helms gathers his grand-children around him, he can tell them about the first homer his team, the Cincinnati Reds, hit in their new Riverfront Stadium way back in 1970.

Helms will have to dig out his clippings to prove it because, frankly, homers are hardly his thing. But he did indeed slug the Reds' very first one in their new ballpark Wednesday night and it helped Cincinnati rip Atlanta 9-2.

Helm's Proud

The homer was Helms' first since the fourth game of the 1969 season and only the 15th of his big league career. And he was duly proud that it was the first one in the new stadium.

"You can bet I'll remind all those sluggers who had the first one," Helms said.

In other National League action Wednesday, Chicago ended its 12-game losing streak with a 5-0 victory over St. Louis, Montreal swept a doubleheader from Philadelphia 11-1 and 4-1, Pittsburgh topped New York 4-3, San Francisco battered San Diego 12-7 and Los Angeles dumped Houston 6-3.

Helms savored his glory after the game. "It's about time I hit a homer," he said. Asked how far he thought his shot traveled, Helms replied, "It's 330 feet down the left field line and I must have hit it 332."

Rookie Wayne Simpson fired a six-hitter and won his ninth straight, running his record to 12-1.

Cubs Win?

The Cubs finally won a game, ending their longest losing streak since 1944 on Ferguson Jenkins' four-hitter over the Cardinals. A four-run seventh inning with singles by Billy Williams, Jim Hickman and Ron Santo the key hits, broke up a scoreless duel between Jenkins and St. Louis rookie Jerry Reuss.

"We finally had some hits at the right time," noted Manager Leo Durocher. "I've had about five stronger games," said Jenkins. "Four of them I lost and one of them I won. They gave me some runs. I can win. I need runs, that's all."

Rich Nye pitched a four-hitter and Bob Bailey and Adolfo Phillips each poled two-run homer as Montreal blitzed Philadelphia in the first game of their doubleheader. Coco Laboy drove in three runs with a double and triple.

Bailley homered again in the nightcap and Dan McGinn, with last-out help from Howie Reed, completed the sweep. The Expos have won four straight and seven of the last nine while the Phillies have dropped six of the last seven.

Mets Beaten

Richie Nebner clouted a three-run homer with two-out in the eighth inning to rally Pittsburgh past New York. Jim McAndrew was working on a three-hitter and had retired 11 straight Pirates when Gene Clines stroked a two-out pinch single in the eighth. Matty Alou followed with another hit and then Hebner connected.

Ron Hunt and Alan Gallagher each tagged homers and Dick Dietz drove in four runs with a double and single as the Giants held on to beat San Diego. Ollie Brown drove in six of the Padre runs with consecutive three-run homers in the seventh and eighth innings.

Bill Grabarkewitz cracked a three-run homer in the fifth inning and then touched off a three-run tie-breaking rally in the eighth with a double as the Dodgers whipped Houston.

The Astros had tied the score in the top of the eighth on Cesar Cedeno's pinch double, a fielder's choice and an infield hit. But Willie Davis singled home Grabarkewitz with the deciding run in the bottom half of the inning.

Not a sign of that collision when our experts re-condition your car. Fine work at moderate prices.

OWL FISHED

UNION CITY, Tenn. (AP)—Tom Meyer, of Louisville, Ky., was at Reelfoot Lake the other day trying to prove owls really don't see too well in the daytime.

Tom cast a surface lure, when not a fish but an owl took the bait. The usually nocturnal bird missed on his first strike, but came back for more and scored on his second attempt, taking the lure into a tree.

Before the owl could enjoy what turned out to be a surprisingly tough meal, Tom reeled in bird and all but had to pry the owl's talons lose to regain the plug.

Card of Thanks

Jensen

I wish to thank my friends and relatives for the cards, gifts and flowers I received while a patient at St. Francis Hospital. A special thanks to Dr. F. C. Anderson, the Nurses and Staff on 1st floor, Rev. Roger Patrow who all made my stay at St. Francis Hospital more pleasant. I am now recovering at home.

Mrs. George (Laina) Jensen

Majestic

We wish to thank our friends and relatives for the many cards, gifts and flowers we received while patients at St. Francis Hospital and Schoolcraft Memorial Hospital, Manistique. A special thanks to Dr. Sell, Manistique, Dr. Holt, Gladstone, Father Disheau, the Nurses and Staff at both hospitals, who all helped to make our stay a little more pleasant.

Mr. and Mrs. Matt Majestic

McGuire

We wish to thank our friends, neighbors and relatives for their kindness and sympathy in our bereavelent, the death of our dear father, Chester J. McGuire. We are grateful to Father Dunleavy, Boyle Funeral Home, pallbearers, to those who sent flowers, spiritual bouquets, cards of sympathy and all other acts of kindness will always be remembered.

The Family Of Chester J. McGuire

Try hitting your brakes wearing swim fins.

It'll give you a good idea of how a drunk driver does it.

It's not hard to see how each year, problem drinkers are involved in killing at least 25,000 of us on our highways. When people lose control drinking, they often lose control driving.

But what is hard to see is why we keep letting them. Many problem drinkers need to be helped. But first, they need to be taken off the road. Sooner or later, it has to happen. Make it sooner. To find out what you can do, write the National Safety Council, Dept. A, 425 N. Michigan, Chicago, Illinois 60611.

Published in cooperation with The Advertising Council, National Safety Council and International Newspaper Advertising Executives. Because too many people have died.

5. Automobiles

COMING SOON:
THE LITTLE CAR THAT DOES EVERYTHING WELL.

Late this summer, Chevrolet will bring out a new little car.

Truly new.

And truly little.

Who needs it, you ask?

Fair question. There's already a bunch of little cars on the market. And a few of them ,we'll reluctantly admit, aren't half bad. We'll also admit they all leave a little something to be desired.

EVERYTHING? EVERYTHING.

Our little car, which we're still finding ways to improve, will leave nothing to be desired.

Its talents will be impressive.

For instance, in our own highway tests, our new mini has been traveling almost as far on a quart of gas as some cars go on a gallon.

Yet the car moves like a rabbit.

Front disc brakes will stop you emphatically

It is uncommonly steady in crosswinds.

Nimble and easy to park.

Simple and easy to fix.

And strong. Strong body, strong chassis, strong engine, strong everything.

The inside isn't fancy. But it sure isn't plain. And there's room in there for four full-grown people. (Or, two full-grown people and three or four semi-grown people.)

All that, and considerable more, for the same kind of money people have been paying for ordinary everyday little cars.

We wouldn't blame you for being skeptical. The car does indeed sound too good to be true.

TO BE CONTINUED.

Bear with us. Read our future ads, in which we'll get progressively specific with facts, features, dimensions, statistics.

Then, in a few months, we'll hit you with the biggest little persuader of them all: the car itself. Four of them as a matter of fact.

A sedan, a coupe, a station wagon. And even a little panel truck.

YOU'LL SEE.

UAW To Host 'Earth' Groups

ONAWAY (AP)—Actvist sponsors of Earth Day last April will meet July 17-19 at the Family Education Center of the United Auto Workers Union to decide "where we go from here" and where the next environmental action groups across the country to attend the three-day meeting here.

Some 250 youths are being recruited from college campuses and environmental action groups across the country to attend the three-day meeting here.

The meeting was the idea of the late Walter P. Reuther, UAW president killed in a plane crash last May 9, who invited leaders of the Earth Day movement "to come together, so that Earth Day will not signal the ending, but the beginning" of a youth-led campaign for environmental cleanup.

The tab for room and board is being picked up by the Alliance for Labor Action, formed by the UAW and the Teamsters after the UAW's 1968 exit from the AFL-CIO and since joined by the International Chemical Workers and National Distributive Workers to support social reform and citizen organizing.

Participants in the forum must meet their own transportation costs to the $18 million wonderland of stone and glass and massive timbers which the UAW has built on nearby Black Lake as an education and training site for its future leaders.

Prime sponsor of the event is Environmental Action Inc. (ENACT) one of two wings into which the Earth Day sponsor, Environmental Teach-In Inc., has now been divided.

The other wing is Environmental Resources Inc., set up primarily for research and resource information to be passed on in the form of handbooks, bibliographies and the like to form "a strong information support base for local activities."

Youth Drowns

ALBION (AP) — Donald J. Mager, 18, of Albion drowned Tuesday in Swains Lake in Jackson County while trying to swim across the lake with several companions. Jackson County sheriff's deputies recovered his body in 20 feet of water.

Car Production Off 12 Per Cent

DETROIT (AP)—The nation's auto production showed an increase for the first month of the year in June, but for the first half of the year, the industry showed a 12.8 per cent decline from 1969.

The top four automakers produced 806,846 new passenger cars at their domestic plants in June, compared to 786,016 last year. This was a 2.6 per cent increase.

Through the first six months of 1970, the automakers report domestic production at 3,966,079 which was a 560,163 unit decline from the 4,526,242 passenger cars built in the first half of 1969.

Truck production by Gig Three automakers showed a strong upsurge of 12.8 per cent in June over the same month last year.

For the month, truck production totaled 171,703 compared to 152,203 last year. For the first six months of 1970, the Big Three listed truck production at 852,081, which was a 25,663 decline from the 877,744 in the first half of 1969.

Detroit Police Get Big Raise

DETROIT (AP)—A state arbitration panel has awarded Detroit policemen a 11.1 per cent pay increase, bringing the pay to patrolmen with five-years experience to $12,000 a year.

The decision drew bitter criticism from Detroit Mayor Roman Gribbs, who said "Although I am aware of the hazardous nature of a policeman's job and the necessity to adequately compensate him, I am dismayed at the impact of this award on the city's ability to finance its operation."

The three - member panel made the decision under new state law that allows compulsory and binding arbitration in certain cases. Patrolmen with five years experience have aucrrent minimum of $10,800.

Mayor Gribbs earlier warned he was considering layoffs in the city departments because of lack of finances for the new fiscal year, which began Wednesday. He said Wednesday he also was considering layoffs in the police department.

Meanwhile, William Van Zandt, executive director of Council 77 of the American Federation of State, County and Municipal Employes, said he had "very serious objections" to the police increase. He said it is much more than the six to seven per cent increases non-uniformed city employes received in April.

Van Zandt said his union, which represents 6,000 city employes, would fight "to make sure our members aren't laid off so the city can grant larger increases to another group of city employes."

FREE
GROUP OR INDIVIDUAL PORTRAIT IN BEAUTIFUL
LIVING COLOR

Mom — Dad and All The Kiddies May Be Photographed Free.

You can have each member of the family photographed in several poses, and pick any one of them for your *free* portrait. We only ask that all children be accompanied by a parent.

DON'T MISS THIS OPPORTUNITY
to get a living color portrait you will treasure always. Several poses are taken and low cost additional portraits are available for those who wish them.

It's our way of saying "Thank You" to our many regular customers, and "Welcome" to everyone else. Incidentally, we believe these photographs are really something special. They're beautifully posed portraits — not snapshots. And don't forget they'll be in *living color*, so dress the children in bright colors.

A gift to you from:
JIM'S MIRACLE MARKET
201 North 12th Street Escanaba
FRIDAY, JULY 3 — 10 A. M to 6 P. M.
